

By Phat

Seems to me I get my best ideas in the cool of the glorious Palm Springs dawn. This morning, when popping out of bed, got to cogitating on Western Week. While peering into the toes of my slippers to see if any foreign substances had crawled in during the night (during August the crickets did that constantly) it occurred to me that the Los Compadres club should use this p.a. installation on the hillside to broadcast music of the west next week. Such as Wagon Wheels, Empty Saddles, The Last Round-Up. And especially "Don't Fence Me In" as the picture by that name is going to be at the Plaza Friday. I'll loan them my Bing Crosby record of that one. I'd even go so far as to let them have my Guy Lombardo "Singing Hills" if they'd put up a bond.

**THE VILLAGE** — Best remark of the week to me was uttered by Harry Oliver, the constant commentator of 1000 Palms. He said things hadn't changed there a bit. "The crickets are gone, but the school kids are back," he said. . . . Ida Canton is down here recuperating at her Village home from a severe illness. . . . Also in town is Lee Lyles, assistant to the president and public relations of the Santa Fe. Some time ago came to me a book, "Railroads at War," crammed full of pictures of trains. Being a railroad fan I enjoyed it immensely. In it were the cards of Mr. Lyles and E. G. Ryder, the latter coast p. r. for the Atchison, Topeka and Santa Fe—the railroad, not the song. . . . Mr. Lyles and Mr. Ryder once took 150 editors on three-day shakedown cruise of the El Capitan, from Los Angeles to the Grand Canyon. Was that fun!

**THIS AND THAT** — Charley Farrell of the Racquet club is now a lieutenant commander. After three years of campaigning in Pacific waters, it was about time. . . . Most consummate nerve of the week was noted Tuesday when A. E. Bailey, president of the Desert Hand Laundry, was asked by a customer if he'd carry the latter's dirty shirts to the laundry. . . . Congratulations go to Everett Lilley. The ice company is again putting twine around those money-in-the-slot ice cakes. You don't have to juggle them now. . . . Big feature of the Gymkhana a week from Sunday will be a match race between Joe Butler and Elmo Purnell. The weight for age condition has been dropped and both have been assigned 190 pounds. The club is now looking for a starting gate big enough.

**MUSIC** — Conditions on the Hit Parade being unchanged with "Til the End of Time still on top, will devote this department to the Village this week. . . . Most entertaining music I've heard in a long time came via jam sessions conducted by a group of air base artists. Herb Tompkins on the alto sax, Ray Simms, trombone and vocalist, Ray Leatherwood on the bull fiddle, Dan Reino on the clarinet. They get together with Hank Johann of Mr. Dee's, who cuffs a mean piano, and really jam. Chuck Mackey, of radio fame, joined them the other night with his trumpet. . . . A jam session to me is always better than a set program. The boys seem to put more heart into it. . . . And incidentally, the Dorseys, Harry James, Artie Shaw or Benny Goodman couldn't do better than the above did.

**MORE HARMONY** — Went into the Dunes to hear their new pianist, Fred Witmor, last night and ran into a conspiracy. First three numbers he played were my top three, My Heart Sings, Who, and Sentimental Journey. Ruby apparently had him all set for me. (Please Turn to Page 8)

## Danzinger Happy Over New Arrival

Donald Danzinger, weighing in at just under seven pounds, arrived at Riverside Community Hospital last Saturday morning at 10:20 a.m. The youngster, six days old today, expects to be an uncle soon. For his sister, Miss Betty Carrithurs, who preceded him by 20 years, is scheduled to become a mama in a few weeks. She lives in Terre Haute, Indiana. Louis Danzinger, proud papa, owner and operator of the Lido cafe here, was scouring the market all week for cigars for his many friends. Mrs. Danzinger and son, Donald will return Sunday to the Danzinger home at 210 Crestview road.

## Village Will Go West Next Week

### City Seeks Quick Action on Airport

Harry Harper  
Authorized to  
Negotiate Plans

City council Wednesday authorized Harry C. Harper to represent the city at the Civil Aeronautics Board hearing in Washington on October 22, and also adopted a resolution seeking negotiations with the Army Air Force to keep the local airport in status quo until such time as the city can act on the airport matter.

Discussion of the airport was featured by a mild flareup, involving Austin G. McManus, who sold land, needed for extension of the runways, and Robert Ransom, president of the Chamber of Commerce.

#### FILES PROTEST

Mr. McManus protested when the Chamber asked that lands acquired by the Army for airport use, be retained by the city on lease from the government.

His position was, he said, that he and Mrs. McManus had agreed wholeheartedly in sale of the land to the government at a nominal figure to help in the war effort, but that now, that the need was at an end, they thought they should have first opportunity to re-acquire the valuable land.

Mr. Ransom said that the Chamber was not trying to take over private land, and Mayor E. E. Theriault explained that the city's resolution merely asked the Army to maintain the present set-up at the airport until the city's policy on airport development could be determined.

#### ARMY TO MOVE OUT

Harry C. Harper opened the discussion when he addressed the council on the airport situation. He said that from all indications, the Army was preparing to withdraw from the local port soon. He said that he was going to Washington, leaving next Monday, to appear at the CAB hearing when airline service for (Please Turn to Page 5)

### Thieves Jack Up Car, Steal Tire

H. E. Colglazier of Cathedral City reported to local police this week that while his car was left in a local service station parking lot awaiting repairs the other night, thieves jacked up the auto and stole a wheel and tire. Service station attendants found the car propped up on a jack when they reported to work in the morning.

### War Chest Drive Starts on Monday

William Colburn  
Again Head, Quota  
Set at \$21,805

Palm Springs will launch its final War Chest drive next Monday when committeemen under George Dennis will call on business houses, hotels and apartments.

On Monday, October 22, solicitation of residents of the Village will get under way.

Quota for this year has been set at \$21,805.66.

William Colburn is manager of the campaign.

The drive is under the auspices of the Palm Springs Community Chest corporation which was incorporated recently. Carl G. Lykken is president, Ernest Alschuler, vice president, Francis F. Crocker, treasurer and Frank Cutler, secretary.

Mr. Colburn is campaign chairman and William D. Dean, advance gift chairman.

Offices of the chest committee will be open daily from 9 a.m. to 5 p.m. at 311 South Palm Canyon drive, the same location as last year.

A. B. West of the California Electric Power company at Riverside is county chairman of the Chest. It was announced that the current chest drive will be the last War Chest drive and goals are fixed for an 18-month period.

Next year, the campaign will get back to its pre-war status, that of purely Community Chest.

### Greyhound Bus Strike Ties Up Transportation

Palm Springs was cut off from the outside world by one of its main means of transportation, the Greyhound Bus lines, when drivers and agents went out on strike last Friday night at midnight.

Outside of the Southern Pacific already beset with passengers and reservations, private automobiles were the only means of transportation to Los Angeles.

R. R. Dunlap, agent for the company here, said he did not know when service would be resumed.

The local depot on Indian avenue, usually thronged with military and civilian passengers awaiting transportation, was quiet all week with the exception of the shoe shine stand which is still doing business.

**RARING TO GO**—Los Compadres Club leaders give an advance showing of Western Week in the Plaza as they prepare for next week's second annual Western Week to usher in the 1945-46 Palm Springs season.

### Headquarters of Red Cross Now at Torney

Headquarters of the Palm Springs branch of the American Red Cross will be moved next week from 107 North Palm Canyon drive on the Desert Inn grounds where they have been for the past two years, to the Information Office of Torney General Hospital on Indian avenue, just across the street from the hospital entrance.

The headquarters will be closed next Monday while the offices are being moved.

The new quarters will be open next Thursday for production and home service work. During the season, the offices will be open daily except on Saturdays and Sundays for production work and home service.

Mrs. Frank W. Cutler is in charge of the home service work, and Mrs. Harris Posey is in charge of the staff assistants who will be in charge of the new headquarters.

Most of the chairmen of the various committees of the local Red Cross branch plan to attend the county chapter meeting at Riverside next Monday.

### Carl Zimmermans Welcome New Son

Sgt. and Mrs. Carl Zimmerman today greeted a new son who arrived at Torney General Hospital, weighing eight pounds and ten ounces.

A sister, Judy, aged 2, also joined in on the welcome.

### Honor Roll

Is His or Her Name Listed?

Is the name of your son, daughter, husband or any other of your local kin in the armed service, on Palm Springs' honor roll?

The Desert Sun, since the start of the war, has run the Honor Roll periodically. The Sun depended upon kin of the men and women in the service to keep it up to date. The list was as correct as it could be with this co-operation.

Now the Owen B. Coffman Post, American Legion, wants the list. It will be emblazoned on the walls of their World War Memorial building. So the name of every Villager who wore the uniform of his country in this late World War should be there.

To help Villagers make the Honor Roll complete, The Desert Sun, this week on page 10, is re-running the Palm Springs Honor Roll. If the name of your son, daughter, husband, or other local relative, is not on there, call the American Legion Dugout, or address Post Office Box 36 or 339, sending in the name.

The Sun is glad to cooperate with the local Legion post in this matter, to see that every Villager in the service is listed on the Legion's Honor Roll.

Check the list on page 10, and be sure he or she is on it.

### Walter Kofeldt Seriously Ill

According to word received in the Village this week, Walter Kofeldt, former executive secretary of the Chamber of Commerce, is seriously ill in a Los Angeles hospital.

### 75 Citations Issued in New Traffic Drive

During the first week of seasonal enforcement of traffic laws in an effort to maintain the city's high safety record and to allow more people a chance to park to shop, police issued 75 citations.

Of this number 60 were for overtime parking and 15 for violation of speed laws, reckless driving, lack of drivers' cards and failure to observe boulevard stop signs.

Chief A. G. Kettmann said that the 60 overtime parking citations represented less than one percent of the number of people parking in the restricted areas. He said police were at present issuing tickets only to the more flagrant cases, where people parked for three or four hours in a one-hour zone.

At the same time, Chief Kettmann expressed his appreciation for the cooperation given police by business men and their employees in heeding the police appeal last week that they park their cars out of the restricted areas.

### Gene Niffords Back in Village

Mr. and Mrs. Gene Nifford were back in the Village this week after a summer spent at Balboa. Mr. Nifford has perfected a new drink, Orange Gene, which he has established in numerous western cities.

He said he was undecided about opening a local Orange Gene's, but would know later.

### New Season Officially Under Way

Plans Completed  
By Los Compadres  
For Great Event

Second annual Western Week will get under way next Monday with many events scheduled leading up to the grand climax on October 21 when a great Western parade and gymkhana will be staged. Western Week will usher in the season in Palm Springs, and under guidance of the Los Compadres club, will be a colorful and exciting week.

Kangaroo courts, dances, and other events are listed to provide plenty of action between Oct. 15 and Oct. 21.

#### WORK ALL SUMMER

Los Compadres club, Elmo Purnell, president, has been working all summer on plans for the event with Phil Delano, handling the parade committee, Hutch Moseley the dances, Joe Allard the kangaroo courts, Wall Spalding the publicity, Joe Butler and Kenney Paul the gymkhana, Bert Chin, Carl Watkins and Joe Birdwell the refreshments. Concessions at the gymkhana have been turned over to the Boys' Club for their benefit.

Two big dances will be staged during the week, one, a street dance Tuesday night in the Plaza and the other at the Roller Rink, on the Field Club grounds Saturday night. Clyde Smith's Smokey Mountain Rangers will present the music.

#### PLENTY OF FUN

The three kangaroo courts should provide plenty of mirth. Joe Allard, in charge of this feature. (Please Turn to Page 8)

### Palm Springs Calendar

- MONDAY, OCT. 15:**  
Civil Air Patrol, Air Field, Building T, Classroom 1, 8:00 p.m.

- SUNDAY, OCT. 21:**  
Western parade, Los Compadres, for Western Week, 1:00 p.m.  
Gymkhana, sponsored by Los Compadres for Western Week.  
Hotel Men's convention, Desert Inn.

## Army Air Force Band Breaking Up After Long Civic Record

**CITY'S LOSS**—The Army Air Base band, which became a civic institution during its activities here, is breaking up, owing to curtailment of duties at the post. Members of the band, who were always available for local events are: Left to right, standing, T/Sgt. Ray Leatherwood, Cpl. Ray Sims, S/Sgt. Gerald Meyerman, Pfc. George Turner, Sgt. James Whitlow, Sgt. Alvin Famaluro, Cpl. Ken Smart, Pfc. Dan Reino. Front row, left to right: Cpl. Mack Holladay, Pfc. Armand Berman, Cpl. Herbert Tompkins, Cpl. Paul James, Pfc. Roger DeWitt, Sgt. Bill Thurman, Cpl. Joe Huffman, Sgt. Floyd Kaplan, Pfc. Eugene Castagnoli. (Official Army Air Force Photo).

### Noted Musicians To Leave Village For Other Bases

Good is sometimes born of war and, ironically enough, it can also become a "casualty" of victory.

Such is true in the case of the 723rd Army Air Force band, attached to the 5th Operational Training Unit, Army Air Field here, whose member-musicians played an important part in the wartime community life of Palm Springs and who are now either awaiting discharge or transfer to other installations.

#### REGRET DEPARTURE

Deep and sincere regret was voiced by prominent citizens of Palm Springs, the Chamber of Commerce, the Mayor, and the American Legion, as well as Colonel A. B. Jones, commanding officer of Torney General Hospital, when it was announced that the musical aggregation was slowly disbanding. Similar feelings were expressed by personnel stationed at the Army Air Base.

Activated here in April, 1943, it was pointed out that the band took an important part in every (Please Turn to Page 4)

## 2,000 Still on Job Overseas to Entertain Troops

Nearly 2,000 American actors and entertainers are now overseas providing professional entertainment for troops in the European and Pacific theaters of occupation under the auspices of USO-Camp Shows, participating service of the National War Fund, according to a report today to William Colburn, chairman of Palm Springs Community Chest Inc.

The latest report from USO-Camp Shows states there are now 278 entertainment units overseas, with additional units departing each day. In these units there are 30 guest artists who are giving their services and 1,858 paid performers.

Since its inception, USO-Camp Shows has sent 672 separate units overseas, with a total of 4,266 entertainers, of which 279 were guest artists who gave their services.

USO-Camp Shows is supported by contributions for the National War Fund, made to Palm Springs Community Chest Inc.

### C. E. Smith Reopens Horseshoe Business

C. E. Smith, practical horse-shoer, is back for his third season in Palm Springs. He spent the summer at Big Bear.

Mr. Smith has been in this business for the past ten years. He is now residing at 174 North Indian avenue.

### Saul Ruskin Opens Office in Village

Saul Ruskin is back in the Village. He will be at his offices at the Royal Palms hotel every Monday and Tuesday, he said.

He maintains offices at 727 West Seventh street, Los Angeles, where he was all summer.

When in Palm Springs  
and need a rest  
Stay at a place that

## From Head to Toe

By BARBARA K. SCHILLY

The Little Things That Count . . . Belts . . . one of the most important fashion accessories . . . a wide crushed patent belt setting off a black and white shepherd's check skirt . . . red and green alligator belts with your new grey dress . . . a metal belt . . . belts that have pouches hanging down from them . . . and nothing makes a plain skirt, short or slacks plus blouse look more like a complete outfit (instead of just two pieces) . . . than a good looking belt.

Then, if your dress won't accept a contrasting belt, and has a self-fabric one . . . try attaching your favorite pin or brooch . . . try wearing your jewelry at

your waist instead of at your neck. If you have any long dangling antique jewelry . . . pin it to your belt instead of your blouse.

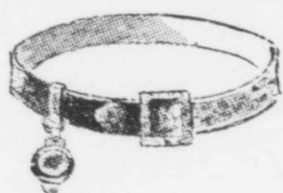

Buttons . . . another focal interest . . . on a plain shirt-maker blouse . . . rip off the buttons . . . sew on some fancy silver or rhinestone ones . . . on a drab suit . . . buy some glass flower buttons . . . sew them on the front and 3 or 4 smaller ones on each sleeve (in the same position as the buttons on men's sleeves).

Fingernails . . . Palmspringer Millie McCormick has the most unusual we've seen yet . . . the moons instead of being rounded in shape . . . are triangular . . . but for those who haven't nearly enough time for such artistry . . .

try any of the number of polish "driers" that are on the market . . . put it over your wet nails and they are dry instantly . . . put gloves on one minute after the polish is applied . . . which seems little short of a miracle.

Scarves . . . which can be worn a dozen different ways and are a girl's best friend . . . fold them and wear them around your waist for a belt . . . for your head, a triangle, and tied in back . . . as an ascot for a cardigan suit or tucked in the neck of a sports dress . . .

And one way which involves a little time and effort, but it is unusual . . . on a suit, tailored dress or blouse that has a lapel collar . . . try this. First step . . . under the lapel, have a large button hole made . . . then when you go to wear said outfit . . . slip the scarf over your shoulders . . . triangular style . . . the long corner in back . . . put the coat or dress over this

slip the two ends of the scarf through the button holes . . . tie in a tremendous bow in front . . . and if you can possibly decipher the instructions . . . another good use for your scarf. One New York designer was advertising her famous "scarf suit" and upon close examination this is all of which it consisted. (P. S. . . the button holes do not show as they are under the lapel.)

### Newspapers Get High Praise of OPA Official

Southern California's newspapers were given wide praise today by Paul Barksdale d'Orr, Southland OPA director, as the annual celebration of Newspaper Week came to a close.

"When the history of the Office of Price Administration is written," d'Orr said, "it will be discovered that the functions of the agency would have been severely handicapped had it not been for the excellent support given us by the press."

"I wish to take this opportunity, in the name of the agency, to thank the press of the nine counties served by this office."

### Council Approves Kellogg License

Application of George Kellogg for a license to do painting contracting under the recently established city policy of favoring returning war veterans, was approved by city council Wednesday on motion by Councilman Armand Turomnet.

Mr. Kellogg will make his headquarters at the Palm Springs Builders' Supply office.

The first baseball series and first admission fee to witness a ball game came about simultaneously when Brooklyn played New York in 1859.

## Museum Will Open For New Season On October 15

Mr. and Mrs. T. A. D. Cockerell have returned to the Desert Museum from Colorado where they spent the summer and are preparing for the opening of the Museum for the new season.

They first came to the Museum in March, 1943, and served without salary through the seasons 43-44 and 44-45. The museum board furnished them with an excellent apartment close to the institution.

### MOST SUCCESSFUL

The season of 1944-45 was the most successful with almost 17,000 visitors who came from all parts of the country, registering. With the help of Villagers and the visitors the fame of the Museum was spread to all parts of the nation.

Plans for field trips to nearby desert and mountain areas, which proved so attractive last year, will be renewed this season. This season the trips will include visits of local gardens to examine the rare trees and shrubs planted here.

### READY FOR PICTURES

Mrs. Cockerell brought her two 16 mm projectors with her and the many films that have been stored away for the summer will be ready for showing when the museum opens on October 15. Some new pictures have been added by special request, notably a film in color of the desert birds of the local area.

The Desert Museum anticipates even a busier season than last year.

Museum hours this season will be from 10 a.m. to 5 p.m. each day including Sundays and holidays and on Wednesday and Saturday evenings from 7 to 9.

## Veteran of Three Major Operations In Pacific, Here

Jack Billings, son of Mrs. Merritt Smith, is back home on furlough after 15 months overseas on the frigate U.S.S. Hutchinson. A member of the Coast Guard, he was in on most of the big amphibious operations in the Pacific.

He wears the ribbons denoting three major Pacific campaigns, and was present at a lot of minor ones. His ship, the U.S.S. Hutchinson, has the distinction of shooting down five Jap planes by AA fire.

He has been in the service for three years.

Billings went through the local grade schools and is a graduate of Palm Springs high.

He is here on a 30-day furlough.

### Free Instruction Offered Camera Fans

Free instruction in how to color photographs is being offered by the Desert Camera shop from Oct. 15 to 21. Miss Clare Chamberlain, noted colorist, conducts the sessions for this interesting and instructive course.

Many hard to get items for camera fiends are now available at the shop, including film, film packs, and enlargers.

A stockpiling program for another, future war, would be particularly senseless. — Undersecretary of War Robert Patterson.

## C. E. Society Off To Fine Start at Community Church

Christian Endeavor society of Palm Springs launched the new season at an enthusiastic meeting at Community church last Sunday evening. Plans for a membership drive, to be patterned on a football game, were discussed. Captains for the two teams are John Harp and Don Miller.

Following kick-off Sunday there will be a four-week campaign climaxed by a victory supper.

At last Sunday night's initial meeting, Dr. J. R. Macartney, pastor of the church, addressed the youths briefly.

At next Sunday's meeting of the society, new officers for the year will be installed at 5:30 p.m. at an impressive candlelighting service. Retiring President John Harp will give the challenge to the new officers and the new president, Bob Eckert, will make the response.

Consecration service and installation of new officers will follow.

Dr. Macartney said that all young people of the Village and especially those in the service, are invited to attend the Christian Endeavor meetings.

Isalah supplies this Golden Text for the Sunday Lesson—Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston: "Look upon Zion, the city of our solemnities: The inhabitant shall not say, I am sick: the people that dwell therein shall be forgiven their iniquity." The question "Are Sin, Disease, and Death Real?" is the subject.

John's Gospel relates that a nobleman, whose son was sick at Capernaum, besought Jesus, saying, "Sir, come down ere my child die. Jesus saith unto him, Go thy way; thy son liveth. And the man believed the word that Jesus had spoken unto him, and he went his way. And as he was now going down, his servants met him, and told him, saying, Thy son liveth. . . . Yesterday at the seventh hour the fever left him. So the father knew that it was at the same hour, in which Jesus said unto him, Thy son liveth: and himself believed, and his whole house."

"Jesus strips all disguise from error, when his teachings are fully understood," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." She also says, "The humble Nazarene overthrew the supposition that sin, sickness, and death have power. He proved them powerless."

**Plans for Great Musical Season Begun at Church**  
Plans for a big musical season were launched during the past week by three choirs at the Community church which began rehearsals under direction of Holly Lash Visel.

Last Thursday evening the adult choir met at the home of Mrs. Visel where plans for the new season were mapped. The Chancel Choir started the new season Sunday with Mrs. Violet Fowler as soloist, the Chapel choir composed of singers of high school and college age, sang at the evening service.

The Boy Choristers will make their initial appearance next Sunday morning at the Sunday school hour, 9:45.

**Bible Readings To Be Renewed Again This Year**  
Dr. J. R. Macartney, pastor of Community church, announced this week that the World Wide Bible Reading schedule, sponsored by the American Bible Society, will be repeated this year.

Bible readings are selected for each day by members of the armed forces, the chaplains and hundreds of clergymen throughout the nation. Each contains a personal message.

The designated period is from Thanksgiving to Christmas and the daily schedule will again appear in The Desert Sun as last year.

Double starred passages this year are the 23rd Psalm, suggested by General George C. Marshall and 1 Corinthians 13, the favorite chapter of Admiral Sir Andrew B. Cunningham.

**Mrs. Schmidt Assumes Duties**  
Mrs. Bernice Schmidt, assistant to Dr. J. R. Macartney at Community church and director of religious education there, began her full time duties last Sunday.

She may be reached over the church telephone, 6291.

It is desired that every child in the Village should have religious education in one of the several churches here.

**Choirs Appear For First Time**  
Under the direction of Holly Lash Visel the Adult Choir and the Chapel Choir made their first appearances last Sunday at Community church.

The Adult choir was heard at the 11 o'clock service and the Chapel Choir, composed of young high school students at the 7:30 p.m. service.

Their singing was much enjoyed by the large congregations.

## Post Chaplain to Address Group at Episcopal Church

"The Children of Light" will be the topic of the Rev. Robert M. Hogarth, vicar of St. Paul's in the Desert, Episcopal church, next Sunday morning.

"These are the words with which our Lord described those impractical religious people, with their heads in the clouds and lacking the wisdom of 'the children of this world,'" he said.

Capt. Sampson, Torney General Hospital post chaplain, will address the Young People's Fellowship at 7 p. m. Sunday night. High school student visitors are always welcome, said the vicar.

## Church Boards Meet Tuesday

Official boards of the Community church will meet next Tuesday at 7:30 p.m. in their first official meeting of the new season.

It was announced this week that the request of officers of the church for a change in the set-back requirements on Cahuilla road from 25 feet to 15 feet had been granted. The additional ten feet is required for the contemplated new sanctuary to be erected, facing Cahuilla road.

## Catholic Church Altar Society to Meet October 12

The officers and members of the Altar Society of Our Lady of Solitude parish will meet in the rectory on Friday, Oct. 12, at 3 p. m. The new pastor, Monsignor Wekenman, invites all the matrons of the parish to be present for this first meeting of the season.

The members of the Holy Name Society will receive Holy Communion in a body at the 8:00 Mass next Sunday, October 14. All of the men and boys of the parish are urged to join this spiritual confraternity, which fosters clean speech and Christian habits of life.

## Sunday Topics Are Announced

Topics for next Sunday at the Community church was announced today by Dr. J. R. Macartney, pastor.

At the 11 a.m. service he will talk on the first question asked in the Bible, "Adam, Where Art Thou? You cannot hide from the all-seeing eye and the loving heart of Almighty God."

At 7:30 o'clock he will speak on "how would you appear if all that you now keep secret was revealed. Have you a skeleton in your closet?"

PALM SPRINGS, CALIF.  
Friday, October 12, 1945

The Desert Sun—3

## Large Gathering Observes Church Event on Sunday

World Wide Communion Sunday, observed at the Community church last Sunday, attracted a large congregation. Communion cards, signed by more than 200, indicated that many persons are already in the Village from all parts of the nation.

Preceding the Communion service there was dedicated a silver chalice to be used exclusively for the Sacrament of the Lord's Supper. It was presented to the church by Mrs. Ruth Langtry in memory of her father, the late Charles Henry Dennus.

As a reminder for daily devotion and prayers, the Devotion Manual, "The Upper Room" was distributed to the congregation. Received into the fellowship of the church last Sunday morning were Mrs. D. T. Dart, Mr. and Mrs. Harold Lieneau and Robert Winn Lienau.

Chaplain Samson has been in the Village only a short time, but for the past five years he has been with the Army, on hospital ships, in the tropics and at bases in the nation.

Pay your telephone bill before the 30th and receive a discount.

For Essential Transportation—U-Drive Cars. Phone 4444.

## Jewish Services To Be Resumed At Torney Chapel

Jewish services will be held each Friday evening at 8 o'clock at the chapel at Torney General hospital, starting this evening.

Initial services will be conducted by Louis G. Breslow, well known to local service men and women and in the Army and Navy in general, as director of the Jewish welfare board of Southern California.

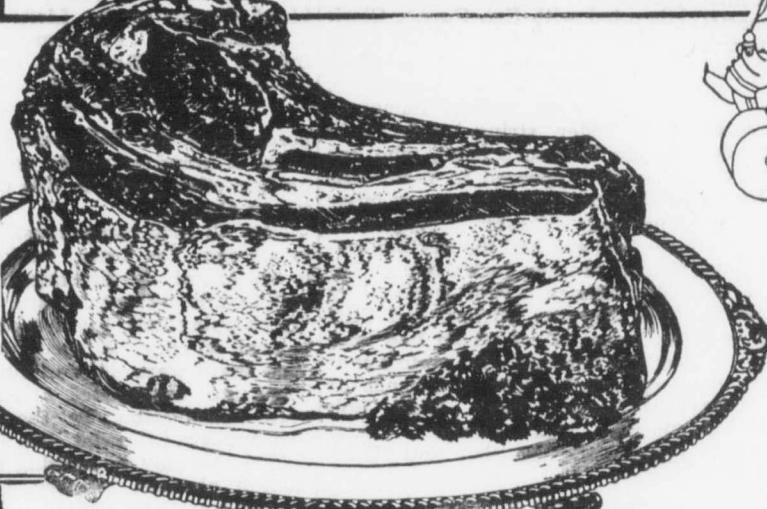

Capt. L. M. Samson, Torney chaplain, launched plans for the resumption of the services which attracted large gatherings last winter. A Catholic priest himself, he is desirous of serving all faiths. When he came here a short time ago, and found that the Jewish services had been omitted, he at once took steps toward their resumption. In this he has full cooperation of Chaplain Paul E. Miller of the Air Base.

Chaplain Samson has been in the Village only a short time, but for the past five years he has been with the Army, on hospital ships, in the tropics and at bases in the nation.

Pay your telephone bill before the 30th and receive a discount.

For Essential Transportation—U-Drive Cars. Phone 4444.

# ONLY THE TOP GRADES OF MEAT AT SAFEWAY

**T**ENDER, JUICY, FINE-FLAVORED steaks, chops and roasts—the kind you get at Safeway—don't "just happen." For **GUARANTEED MEATS**, we buy only the top government grades. ### MORE ABOUT . . .

#### Air Base Board . . .

civic affair, bond selling campaigns, fiestas, patriotic parades and memorial services.

#### PRaised FOR AID

Praise was heaped upon the soldier-musicians for their versatility in rendering music which ran the gamut from just plain jive to classical and stirring military marches.

A large part of the success in Victory Loan drives held in Palm Springs was attributed to the participation of the 723rd Band.

"The presence of the band," declared Tom Holland, chairman of many Palm Springs committees in Victory Loan drives, "aided immeasurably in the sale of bonds and in putting Palm Springs over its quota."

#### FROM TOP RANKS

Mayor Eugene E. Therieau and Robert Ransom, president of the Chamber of Commerce, were lavish in their appreciation of the services the band rendered the community.

"Representing the citizens of Palm Springs, I wish to express the heartfelt thanks of us all for the splendid cooperation the

band has given the city on many occasions and to wish the members the best wherever they may be going," said Mayor Therieau.

Mr. Ransom wished the soldier-musicians Godspeed to their new destinations and the best of all that life could give. He also expressed the wish that when these soldiers again become civilians they would visit Palm Springs, and a hearty welcome would be waiting for them.

#### FROM TORNEY, TOO

Colonel Edward F. Hubbard, commanding officer of the 5th OTU, was in receipt of a letter from Colonel A. B. Jones, which read in part:

"To Warrant Officer Lowell K. Weeks, and all members of the 723rd Army Air Force band, I wish to extend a most sincere expression of appreciation for the fine spirit of cooperation shown on the many occasions when they have appeared at Torney General Hospital. The ready response of this group of musicians to every request from the hospital has been unequalled in the history of Torney. They deserve the highest commendation."

Harold Lienau, commander of the Palm Springs American Legion, declared that the band added the colorful military background necessary at all Armistice Day parades and Memorial Day ceremonies during the band's stay here.

#### WILL BE MISSED

"This band will be sorely missed in the future," Commander Lienau said. "In behalf of all the members of our post here, I wish to express our deep appreciation of the assistance it gave on many occasions. And," he added, "having been soldiers ourselves, we wish the members of this marvelous band, our buddies, the best that life has to offer."

Technical Sergeant Ray A. Leatherwood, first sergeant of the 723rd, asked for an historical background on the band, wrote one which can be compared to a rags-to-riches story by Horatio Alger when he writes that in the fall of 1942 the band was "merely a gleam in the eye of Colonel Ralph E. Spake." He then continues to trace the history of the band until it reached its zenith of success with the arrival of its present leader, Chief Warrant Officer Lowell K. Weeks, and the 723rd Band from Albuquerque, New Mexico.

#### HISTORY OUTLINED

The personal history of each member as outlined by T/Sgt. Leatherwood, indicates that nearly every member of the band was at one time or another associated with famous name bands of the country. It was calculated that the performance of this band at a single function, if it were a civilian aggregation, would have cost in the neighborhood of \$300 to \$500.

"In the fall of 1942," began T/Sgt. Leatherwood, "the Palm Springs Army Air Field Post band was merely a gleam in the

eye of Colonel Ralph E. Spake, commanding the 6th Ferrying Group in Long Beach, of which Palm Springs Air Field was then a detachment.

"Colonel Spake had commenced the activation and recruiting of the 340th AAF Band on the Long Beach field, and encouraged the expansion of that unit to double its normal strength, planning to divide it and send one-half to Palm Springs at a later date. Included on the original roster were such names as Ziggy Elman, Charley and Cubby Teagarden, Walt Yoder and many others, as well as a number of lesser known, but equally competent musicians from the radio and movie studios of Hollywood and New York.

#### ARRIVE IN MAY

"In May, 1943, the first detachment arrived at the Palm Springs field. Consisting of fourteen men, headed by Sgt. Bill Thurman and including Alvin "Pappy" Famularo, Gene Castagnoli, Bob Bickmore, Bill Bilotta among others, this group assumed the duties of what would normally have been a twenty-eight piece band. Beseated by many hardships, inadequate instrumentation, and the difficulty of obtaining new recruits, it nevertheless pitched in and did a good job of entertaining the officers and enlisted personnel of the base. During the next few months, through the efforts of Major Joe R. MacPherson and Captain "Mike" Frankovitch, several new men were added. Among them were Leonard Penario, sensational young concert pianist, who has since been heard as soloist with most of the major symphonies; Roger DeWitt, ex-oboeist with the Boston "Pops" orchestra; and Don Reino, who needed no recommendation once he had been heard through a couple of choruses of "The World Is Waiting for the Sunrise" on the clarinet.

"In October, after the post had been activated as the 21st Ferrying Group, another group of ten musicians arrived from Long Beach. This group, under Sgt. Ray Leatherwood, who had collaborated with Sgt. Garner Clerk in the recruiting of the Long Beach band, and who assumed leadership of the new band here, included such familiar names as Walt Yoder, string bassist from Woody Herman's band, who has probably appeared in more All-Star band polls than any other musician; "Cubby" Teagarden, who had sparked the rhythm section of brother Jack's band; "Jo-Jo" Huffman, Paul James, Ray Sims, Norman Michea, and Cliff Bachman, all of whom had long been prominent in professional music circles with the bands of Phil Harris, Jerry Wald, Bob Chester, Ted Fiorito, Jimmy Grier, Blue Steele, and Husk O'Hare.

"The ensuing six months represented a distinct period of advancement for the post band. Although there existed an extreme shortage of trumpet players, Sgt. "Pappy" Famularo admirably held down this section single-handed, and such favorites as "South Rampart Street Parade" and "High Society" began to be heard at reviews, executed in traditional New Orleans Dixieland march style. Besides the regular military functions, daily retreats, weekly reviews, etc., the band's other duties included playing for dances at the NCO Club, Officers' Club, and the Post Gym, usually at the rate of four to six nights per week. There being no other duties, except for daily rehearsals six days a week, time began to hang heavily upon the hands of the bandsmen, until Sgt. Burt O. Randall of the 459th, to which the band was attached, graciously consented to allow the boys to attend numerous functions of that squadron, such as road-building picnics, ditch-digging games, and latrine tea-parties." (This is where the author injects a bit of satire.)

#### BAND EXPANDS

"The arrival of the 723rd AAF Band from Albuquerque, New Mexico, the prospects of achieving a full, well-balanced instrumentation began to look bright. With the band came twenty men and CWO Bandleader Lowell K. Weeks, graduate of the University of New Mexico's Music school and the Army Music school. Various bandsmen contacted their ex-bosses, and dance arrangements from the libraries of Jack Teagarden, Les Brown, and particularly Woody Herman, began to be heard at Post outside functions. Augmented by arrangements by Gene Castagnoli, Gerald Meyerermann, CWO Weeks, and Ray Leatherwood, the dance band's library was second to none in quality, variety and originality. The full military band under Mr. Weeks' expert guidance also developed an excellent repertoire of concert music and for the ensuing one and a half years, the

## Appeal Sounded for Women to Lead Girl Scout Work

In an appeal issued this week for more leaders in Girl Scout work here, Mrs. Arthur E. Bailey, local Girl Scout commissioner, said:

"In conjunction with the youth movement which is one of the most vital and discussed issues in America today, there is a crying need for more workers in the Girl Scouts organization. Palm Springs women who have been in war work of various kinds will find Girl Scout work just as challenging and just as rewarding."

"Helping to train our girls to achieve and preserve the democratic way of life is one of the most important tasks facing us today," continued the commissioner. "I do not believe that women who have learned the joy of serving, of doing something useful during the war years, will be content to be idle. I am hoping that many of them will call me and that this year we may be able to take care of all girls in Palm Springs who want to be Scouts."

Within a few months, training in leadership techniques and Girl Scout methods will be made available. All women interested will please call Mrs. Bailey within the week at 3484.

## Lions, Rotarians Hospital Guests

Mind-reading and magic marked a joint meeting of Palm Springs Rotary and Lions clubs yesterday as the two organizations were guests of Col. A. B. Jones and Torney General Hospital in the Coral Room.

It was the second official meeting for both clubs, with President Lloyd Simons of the Lions club presiding, and President Fred Ingram of the Rotarians, speaking for the visiting club.

personnel of this field were treated to a brand of music enjoyed by few other posts, in this country or abroad.

"But all good things must come to an end. The band, weakened to an extent by discharges, and still further by various and sundry shipping lists, has dropped to a total of only 20 men, where once there were 44, and further losses are anticipated, possibly even deactivation. By the time this appears in print, the 723rd AAF Band may be nothing more than a pleasant memory, to its former members, and, they hope, to you."

## New Forum Series to Start Nov. 1 on Pan-Americanism

Arrangements have been concluded to conduct a series of 5 free public forum meetings through the Adult Education Department of the Palm Springs Union High School. Meetings in this first series of lectures will be devoted to the theme "America Looks Ahead."

Dr. W. Ballentine Henley will open the series on Thursday evening, November 1, at 7:30 o'clock in the Frances S. Stevens school auditorium, with a lecture on the subject "In Quest of a Standard." Dr. Henley was a speaker in a panel trio last year, and following his appearance here at that time there were numerous requests that he be used as a separate speaker for an entire forum meeting.

#### ON GOOD RELATIONS

Dr. Hubert Herring of Pomona, a noted author and lecturer on Pan-America affairs will conduct the meeting to be held on November 15. His subject will be "Good Neighbors—Next Steps in Western Hemisphere Policy."

Dr. Osgood Hardy has been scheduled for the forum lecture on November 29. He will talk on the subject "The New Pan-Americanism."

Dr. Rufus von Kleinsmid has been scheduled once again for a meeting on December 13. He was unable to fulfill his contract last year because of physical indisposition. His talk will be on "New Patterns for International Relations."

#### ALL ON THURSDAYS

Lewis Browne, author of "This Believing World," and a noted lecturer, will conclude the series on January 10 with a talk on "What's Happening to this Believing World?"

All forum meetings are held on Thursday evenings. The dates in this series being two weeks apart. Principal E. E. Oertel has made arrangements with Miss Ruth Ashcroft, music teacher in the high school, to provide ten minutes of incidental music for each forum meeting. The usual pattern for such meetings will be followed, the formal presentation by the speaker continuing for an hour, and the discussion period of 30 minutes following. All forum meetings are concluded at 9:30.

We may be sure, I think, that when a commission is established, the United States government will urge that it should promptly study the means of promoting the freedom of the press.—Edward R. Stettinius, Jr.

## Dunes Swinging Into Mid-Season Form These Days

The Dunes cafe, where Ruby and Connie provide that cordial welcome, was back in mid-season form this week with many Villagers and film notables seen dining there. Dorothy Gray Barnett was hostess to Mrs. Al Epstein, Jimmy Evans, Mrs. Ben Levi and son, who has just ended six years in the Navy. Mrs. Charles Morrison was there with Mr. and Mrs. Wert Blum.

Others there were Mrs. Arthur Henry and Mrs. Philip Moore, Mrs. Frank Bull, Commander Red Venable, Mrs. Janice Cawthorne, Capt. and Mrs. Fox, Mr. and Mrs. Paul Dougherty, Mrs. Dorothy Kok, Arch Selwyn, Mr. and Mrs. Al Legier, Mrs. J. B. Moore, Rolie Dunlap, Betty and Al Agazomi, Sydney Lanfield and party.

All were enthusiastic over the piano playing of Fred Witmor, from New York's smartest clubs, who is playing at The Dunes for a limited engagement.

An added attraction at The Dunes these days is Lois Davis, who recently assumed hostess duties there.

One of the oldest sportsman's club in the United States — The National Rifle association — was organized in 1871.

Sugar, sweetening substance, is composed of three tasteless elements.

## James R. Fouch Honor Guest at Birthday Party

James R. Fouch, owner of the La Paz, noted guest ranch, was the happy surprised guest at a birthday party staged at the hotel this week. Mrs. Fouch arranged the party, and Chef Borjesson built a grand birthday cake, despite the fact that painters and carpenters were working all around him, preparing for the La Paz opening, set for November 1.

Guests at the party were Dr. R. L. Power and mother, Mr. and Mrs. W. Sherman Winsman, Mr. and Mrs. Harold Crouse, Mrs. Helen Headquist, Dr. Stewart McDonald, all of Los Angeles; Mr. and Mrs. Carl Klug of Long Beach; Mr. and Mrs. Garold Foote of Santa Cruz; Emil Wagner of Palm Springs; and Jim and Jean Fouch; Ruth Sougey, manager of the La Paz, and the honored guest, and his wife, who arranged the party; Mr. and Mrs. James R. Fouch.

An increase in minimum loading requirements of from 30,000 to 40,000 pounds per car is expected to release 25,000 refrigerator cars as the estimated 64 million bushel crop of potatoes moves to market.

## Protest Two New Liquor Licenses

City council Wednesday voted to protest two applications for liquor licenses here when notified by the State Board of Equalization that the requests had been filed.

The protests were based on the recent reiteration of the three-year-old stand of the city that there were too many licenses here in proportion to the population.

The applications had been filed with the state board by the Palm Springs Hotel corporation for on-sale wine, beer and distilled spirits license and by the La Cita cafe, Louis Thompson, owner, for a license to sell alcoholic beverages.

## Enrollment for Dance Classes Started Today

Roy Randolph, director of the Palm Springs Dance Studio, announces the enrollment of students interested in dancing this Friday afternoon and tomorrow morning at the Frances S. Stevens school auditorium. Mothers and children interested in ballroom, stage, tap, acrobatic and Spanish dancing will be interviewed for classes starting next week. Mothers are urged to accompany their children and meet Mr. Randolph, Miss Sally Nagel and Paul Edwards, members of his staff.

Information also will be available regarding adult and high school classes in ballroom and other types of dancing.

One of the features offered local people will be to organize adult dance groups with lessons to be given in private homes by appointment.

## La Quinta Hotel, One of Desert's Famous Resorts, to Open for New Season With Open House Tomorrow

One of the west's greatest show places, closed during the war, will be back in action tomorrow, with many notables of the business, industrial and entertainment world present to help its reopening.

The famed La Quinta hotel, out on the desert, will stage open house tomorrow from 4 to 7 p. m. and will be open for the season in regular swing next week. On October 21 the Hotel Men's convention will open at the La Quinta.

The picturesque and popular hotel was recently sold to a Chicago syndicate, and Bill Walshe, formerly of the Last Frontier hotel at Las Vegas, will manage the place. It covers more than 800 acres with tennis courts, swimming pools, more than 100 rooms for guests and all of the accessories of a real resort hotel, at the disposal of its guests.

Music for the gala opening tomorrow will be the old Dunes boys, Jules and Webb. Reservations may be made by calling Palm Springs 3666 or Thermal Main 3.

One of the features at the La Quinta this season will be its tennis. Joe Sawyer, of New York City, tennis pro at the Racquet Club here for the past two seasons, will assume similar duties at La Quinta. Many noted tennis stars are expected to be there during the season for exhibition matches. Mr. Sawyer was with Gene Tunney in the Navy in his physical program and for 15 years was pro at the Sagamore Hotel, Lake George, New York.

## County Tax Rate Up 11 Cents More Than Last Year, But Less Than Prewar Rate

Riverside county's tax rate for general purposes for 1945-46 is \$1.64, up 11 cents from the \$1.53 rate for 1944-45, but down 18 cents from the 1940-41 pre-war rate of \$1.82 per \$100 of assessed value. California Taxpayers' Association said today, making public its analysis of trends of county tax rates for general county purposes during the war years.

For 1941-42, the county general purposes tax rate was \$2.22 per \$100 of valuation. For 1942-43 it was \$1.76, and for 1943-44, \$1.66.

Forty-one California counties show increases in county tax rates for general purposes for the current 1945-46 fiscal year, the taxpayers' organization found. Eleven counties where the general tax rate went down were: Contra Costa, Del Norte, Inyo, Lake, Modoc, Monterey, Nevada, Sacramento, Santa Cruz, Siskiyou and Yolo.

In 12 California counties, tax rates for general county purposes for 1945-46 are at their high for the six-year period 1940-41 to 1945-46. These counties include: Alpine, El Dorado, Imperial, Kinks, Merced, San Francisco city and county, San Mateo, Solano, Sonoma, Stanislaus, Tulare, and Tuolumne.

In four the 1945-46 rates are at their lowest for the six years. These include: Monterey, Nevada, Sacramento and Siskiyou.

## MILES OF SHOE LEATHER SAVED BY ARMY

The Army's shoe rebuilding program, in operation for more than three years, has saved some 25,000,000 square feet, or approximately 4,736 square miles of high priority leather by rebuilding more than 11,000,000 shoes and boots. It was revealed today at Ninth Service Command headquarters, Fort Douglas, Utah.

## Five-Foot Rattler Caught Near Bailiff Home in Cabazon

A vicious-looking red-diamond rattlesnake which measured five feet in length, was captured by R. E. Bailiff within two city blocks of his home in the canyon southwest of Cabazon. Mr. Bailiff took the snake, which was coiled, ready to strike on the slightest movement in his vicinity, to Banning to show before turning it over the owners of Snakeville, between Banning and Cabazon.

Mr. Bailiff has caught many snakes during his long residence in the Pass. At one time he was trapping specimens for a museum in the middlewest.

## Weinbergers Back In Palm Springs

Mr. and Mrs. Henry Weinberger have returned to the Village for the new season. They are staying at the Lone Palm hotel. The Weinbergers spent the summer months at the Beverly-Wilshire on Wilshire boulevard in Beverly Hills.

Mr. Weinberger will be remembered for his great work in War Loan campaigns here. Single-handed, in several of the campaigns, he sold more than one-third of the large quotas.

## S. P. Places Big Freight Car Orders

Orders for 3500 new freight cars of the most advanced design and construction, to cost approximately \$13,900,000, have been placed by Southern Pacific company, according to announcement by President A. T. Mercier. Deliveries are scheduled to start early in 1946.

Included in the orders, the first big postwar equipment purchases of the railroad, are 1600 lightweight steel boxcars, 750 automobile cars, 150 covered hopper cars of 70-ton capacity especially designed for handling bulk commodities, such as cement; 550 general service gondola cars, 200 tight-bottom gondola cars, and 250 70-ton open-top hopper cars.

A new all-rubber hip-length boot which fastens to the wearer's belt by an adjustable strap from the top and has three buckles closing it to the middle of the calf and a strap and buckle just below the knee, has been developed by the Quartermaster Corps, it was learned today at Fort Douglas, Utah.

## Letters to the Editor

### WE GET THANKED

Dear Phat:

I take my pen in han' tew let yew-all know haow things is cummin' along at th' ranch these hyar daze. Everything is lovely an' th' goose is a hangin' high. Th' turkeys, th' chickens, th' rabbits, th' gotes is all doin' as well as expected? ceptin' th' ole woman. She got th' colic er sumpin' an' had tew have ole Doc Potter shoot sum pencillin er sumpin' in her hind quarters, an' durned if she didn't perk up an' naow feels like a two yr. ole agin', an' I hope this finds yew an' yourn th' same.

But what I started out tew say, Phat, wuz 'at it wuz gosh durn decent uv yew tew print 'at little squib 'bout my pitcher in th' winder daoun at th' Pottier uv Commerce. Waal, Phat, enny thing I kin do tew he'p out makin' 'Western Week a howlin' success, yer welcom tew it.

I would like tew throw off my carpenter overhauls, an' th' ball an' chain would like tew take off her Mother Hubbard, an' git all decked out in our cow puncher glad rags, but thuther day I tried it with th' ole muzzle loader an' all, an people jist looked at me like I wuz crazy er sumpin'.

I heer 'at ole buzzard, husslin' Pete Sheptenko is back on th' range once more. Waal, naow Phat, things will begin tew hum.

Sincerely yours,  
—Th' Pam Springs Hillbilly.  
Anything for Western Week is down our alley, too.

### KIND WORDS

Editor, The Desert Sun:

Allow me to compliment you on the excellent and interesting newspaper you are publishing.

The public reads the good things and promptly forgets it—without a word, taking such a good paper in a small town for granted. I appreciate the friendly tone—the personal interest—the wide scope and the pearls of philosophic wisdom—you manage to find—or create—for your readers.

Plus, of course, the interesting people who visit your lovely town, and which you can portray so life-like with your literary brush. May I also thank you for your kind obituary, regarding the death of my husband, Mr. J. Mair Tuschl, a former symphony director, who also loved your town and spent some happy days there.

Yours very truly,  
MRS. J. TUSCHL.

### MORE KIND WORDS

Editor, The Desert Sun: The observation throughout the United States of National Newspaper Week brings to mind the many courtesies which your newspaper has extended to the Palm Springs Army Air Field during the past year. In this time, during which so many newsworthy events have taken place, your newspaper has done its part to keep the public informed as to the significance of national news to the local situation.

Since an informed public is an essential under our form of government, the work of your newspaper in this connection has been of inestimable value. Notwithstanding the fact that it was necessary for your newspaper, as for every newspaper, to play down, or even omit, certain news which might have been of value to the enemy, you have carried out your function of interpreting events as they occurred.

As commanding officer of the Palm Springs Army Air Field, headquarters of the 5th Operational Training Unit of the Air Transport Command's Ferrying Division, I wish to thank you for the many courtesies you have extended this installation in the past, and to express again my sincere gratitude for the many favors shown us.

Very truly yours,  
EDWARD F. HUBBARD,  
Colonel, Air Corps.

It was a pleasure, I assure you, sir.

### MORE ABOUT . . .

## Airport Action . . .

the Village will be discussed and also that he was going to Air Transport headquarters at Cincinnati to discuss the status of the local port. He sought authorization from council to represent the city at the hearing and to enter into negotiations with the Army.

He asked that the city authorize him to request the Army to maintain the present port just as it is with all equipment, until the city could act. This authorization was granted in a resolution adopted later by council.

### AT NO COST

Mr. Harper said that from preliminary talks it seemed certain that the city could find someone to operate the field at no cost to the taxpayers. But during the time of discussions with the Army and with prospective operators, he said, it was important that the field be kept in its present condition.

Earl Coffman supported Mr. Harper's statements, and said that changes at the airport were going to move faster than expected. He said that it was necessary to move swiftly to save the equipment now at the field, so that it could be operated properly. It was his belief that the city should hold on to all of the land involved until final action on the local aviation situation could be taken.

### TO RETURN ALL LAND

At this point, Mr. McManus asked whether it was the intention of the Chamber of Commerce to hold on to all of the land acquired for the Army air field. He was told that it was.

Mayor Therieau then said that he thought it was entirely proper to give Mr. Harper the credentials and authority he asked, so that the city would have time to see what it could do or could not do.

Entering into the discussion was the proposal that the city at some early date, appoint an air-

PALM SPRINGS, CALIF.  
Friday, October 12, 1945

The Desert Sun—5

port commission to make a real study of the needs here, both in relation to commercial flying and to private flying.

### READ RESOLUTION

City Attorney Roy W. Colegate then presented the resolution authorizing Mr. Harper to negotiate with the Army and with the ATC in regard to keeping the field in its present status and leaving all equipment here until settlement of the situation. Mr. Harper was given credentials to act for the city.

The resolution asked that all lands now in use at the port, all of its facilities and all of the present equipment be retained.

### REITERATES STAND

Before adoption of the resolution Mr. McManus reiterated his stand and strongly protested its adoption. He said that he had been strong in sympathy with the use of the land to aid the war effort, but that the money paid them for the land by the government was in a fund, waiting to buy back the land now that the war was at an end. He said he couldn't understand the attitude of the Chamber in urging that the city acquire private land.

When Mayor Therieau assured him that it was not a question of acquiring private land, but merely one of acting at once to keep the port in status quo in the event of a sudden abandonment of the field by the Army, he withdrew his objection because, he said, he had no intention of blocking airport development here.

### FAVORS LOCAL PORT

"I am most interested in keeping the airport alive," he said. The resolution was then adopted by a unanimous vote.

Touching on the local airport situation, official notice was received at the Army air base this week on the Army's plans for leased air bases such as this is.

The statement, issued by Brig. Gen. Bob E. Nowland, commanding general of the Air Transport Command's Ferrying Division, of which the local port is an instal-

lation, clarified the future of these ports.

### TO ACK QUICKLY

"Control of leased airport facilities operated by the Air Transport Command's Ferrying Division will be returned to local governments as rapidly as demobilization requirements permit," General Nowland's statement said.

The commanding general of the Ferrying Division made the statement at his headquarters in response to inquiries from civic officials who desire to adapt their aviation programs for expanding commercial needs.

Of more than a score of domestic bases now operated by the Ferrying Division, only one is owned totally by the War Department. Occupancy of other bases, including that at Palm Springs, has been under conditions which have varied in accordance with local situations.

### TO CUT FORCES

Lt. Gen. Harold L. George, commanding general of the Air Transport Command, has announced plans to cut, by July 1, 1946, its fleet of planes from 3000 to 500 and its personnel strength from 210,000 to 75,000. The orderly reduction in Ferrying Division operations is being developed in line with General George's program.

"The Ferrying Division of ATC plans to retire as expeditiously as possible from airport facilities which are owned by non-military agencies," General Nowland said. "In some cases our operations will be shifted to bases totally owned by the War Department."

The War Department is releasing approximately 10,000 light and 20,000 medium trucks to the Department of Commerce for relief of civilian needs. A reasonable proportion of the surplus trucks will be earmarked for agricultural areas where needs are most urgent, it was announced.

Queen Elizabeth died in 1603 with 300 gowns in her wardrobe.

## Two Added to Aid Ground Forces at Torney General

To further facilitate the work of the Ground Forces Liaison office at Torney General Hospital, the staff was increased last week by two enlisted men in addition to T/4 Lee King, who reported recently to replace T/Sgt. Walter Greshawk, scheduled for discharge from the Army October 20.

Newest members of the staff are Pfc. Clement A. E. Dunbar and Pfc. Francis B. Hayes, both liberated from German prisons by Allied forces.

Pfc. Dunbar, whose home town is Augusta, Ga., served with Co. B, 275th Infantry, 70th Division, prior to his capture. He was interned for three months at Stalag IXB.

Pfc. Hayes who spent a similar period at Stalag IXB was taken prisoner along the Saar River while serving with Co. B., 301st Infantry, 94th Division. He is from East Orange, New Jersey. T/4 King, already well known to many AGF men of the post served in the Aleutians with the 159th Inf. Sep.

Under the direction of Captain Robert H. Odell, the AGF office was set up at Torney to assist men of the Ground Forces on any problems. Men who are ambulatory are interviewed in the office while nonambulatory patients have personal ward interviews.

For Essential Transportation—Yellow Cabs. Phone 4444.

## TORNEY GENERAL HOSPITAL EVENTS

By Sgt. Vic Blanks

### BROADCAST CANCELLED

The Torney Double Show, semi-monthly broadcast of patients and personnel from the Red Cross auditorium here, was cancelled this Tuesday, October 9, and its return to the air over KPRO, Riverside, is postponed indefinitely.

Changes in time of American Broadcasting Company network programs forced the postponement, although it is presumed that the stanza will return to the air as soon as KPRO can find suitable time in its program schedule.

The Torney Double Show has been produced jointly by Information and Education and Special Service branches of TGH, using post personnel and patients exclusively to write, produce, and present the broadcast.

### SKETCH ARTIST

Ethel Bonney Taylor, an artist working under the auspices of USO, is now at Torney, doing water-color portraits and sketches of patients on the wards.

Miss Taylor is an illustrator of children's books, and has been working with USO since January of this year.

She arrived at Torney, Monday, October 8, and will remain until day after tomorrow, Saturday, October 13.

### RED CROSS NOTES

The Red Cross staff welcomes the return of Miss Jean Moffatt, who has been in Washington, D. C., and Miss Mary Raftery, from a 30-day leave. A hearty welcome is also extended to Miss Margaret Patrick, a new recreation worker on the staff.

The new pool table is a large drawing factor in the recreation hall, and most patients can hardly wait for the building to open to have a game. At times this offers complications when the Rec Hall is not officially open for the day until 12:00. Quite often games have had to be interrupted when patients come in before hours.

Patients interested in making records to send home mark every Thursday from 2:00 to 4:00 p. m. in the Rec Hall on your calendar. It's not only fun, but also a wonderful and lazy way to talk a letter. Those who play instruments or sing can be professional and record their accomplishments. On other days the machine has been taken on the wards for the bed patients.

### GENICH

Staff Sergeant Russ Genich, the father of Torney journalism, is leaving the army on points Friday, October 12, after having been stationed here since August 7, 1942.

Russ organized and edited the forerunner of the Topics, a 5-page mimeographed sheet, called the "Torney Tattler", which was published from April of '43 till the first of '44. Then the regular letterpress "Topics" was started, and Russ edited that for the first three months of its existence, after which it was transferred from Special Services to Information and Education branch.

Since that time, a year and a half ago, Sgt. Genich has been Sports Editor for Torney Topics, covering army and Torney athletic activities for the thousands of patients, civilians and command personnel who have passed through TGH in the 18-months period.

Russ and his family, a wife and two children, say they are "getting a big kick out of going back to God's country!" God's country in this case is either Minneapolis

or Milwaukee—they aren't sure which.

Sgt. Genich's name has been on the masthead of the Topics for a long time—Topics readers will miss him.

### INTRAMURALS

Not to be outdone by the World Series, collegiate football giants, and other events of the civilian sporting world, Torney GH gives you with pride its own super-colossal, five-pronged, Intra-Post Athletic Program, beginning Monday, October 15.

This ambitious brain-child of Reconditioning's Lt. John "Curly" Sutton and the Special Service branch will draw upon the select but considerable prowess of all male personnel of the command, for dog-fight competition in basketball, volleyball, handball, badminton and ping pong.

"If you wonder why only basketball is included of the more strenuous sports," said the Lieutenant in an exclusive interview secured at great effort (have you ever waded through those sand dunes which surround the gym?), "remember that this is a limited-service installation." (Ed note—and the CDD rate is due for a terrific jump as it is.) When quizzed about the possibility of uncovering another Hank Lusetti or two for posterity, Sutton remained non-committal, not because the question is without interest but because, as he said, "Participation is the thing!"

Already, however, our \$65,000 worth of new and shiny gymnasium reverberates nightly with the rattle of casaba against backboard, the screech of rubber on hardwood, and particularly with moans and the creak of achin' backs as erstwhile sports drag themselves out (hang the duty-arthritis!) for a "little workout."

For the purposes of the tournament, the Post has been subletted into six divisions with (because the war is over and to show there aren't too many hard feelings) Officers, Enlisted Men and Civilians fighting it out side by side.

The divisions are: (1) All Ward personnel (Sgt. Wadman); (2) Post Technical Services (S/Sgt. Sutherland); (3) Clinics (Sgt. Borum); (4) A hybrid combination of Special Service, MP's, PX, PW Campers, and A & D Office (Sgt. Leslie); (5) Reconditioning, Training Branch, Liaison and 1st Sgt's Offices (1st Sgt. Graffice); (6) Headquarters (T/4 Singerman).

The usual picturesque names are forthcoming on Monday, October 15, when entry lists must be submitted.

A unique scoring system, stressing first of all participation, has been devised. Each team will get 5 points for every game it plays; another 5 points if it wins—but a minus 10 if it fails to show up. The scoring will be overall, for all different sports, on a grand total basis.

Basketball, of course, the sports world's biggest boxoffice draw, figures to grab the headlines—with three games each Thursday in the five-week, round-robin campaign, beginning at 6:45, 7:45 and 8:45. (Monday will be reserved for the other sports. Already Reconditioning has a much needed practice game against a combined MC and MAC officers

## Robert M. Boltz, Son of Villager, On Historic Ship

Robert M. Boltz, radio technician, 2/c, USNR, son of Mrs. Lee Kalbach, 337 North Palm Canyon drive, is now serving on the U. S. S. Yorktown, aircraft carrier assigned to the Japanese occupation forces, now lying off the coast of Japan.

The Yorktown climaxed a war career of 36 major Pacific operations by standing off Japan and sending her planes over the USS Missouri as the surrender terms were being signed.

Pilots taken on the Yorktown, on which the Villager serves, shot down 457 Jap planes and 76 probables, destroyed 695 and damaged 923 on the ground and sank or helped sink many Japanese warships including the battleship Yamato and heavy cruiser Agano.

The ship's anti-aircraft batteries knocked down 14 enemy aircraft.

## Five Births in Week Recorded at Torney Hospital

Five births were recorded at Torney General Hospital last week, including two girls and a boy born to personnel of the Palm Springs Air Base.

Parents and youngsters in this group were Sgt. and Mrs. Glen H. Rusch, a daughter weighing 7 pounds 6 ounces on October 3; Sgt. and Mrs. Carl Zimmerman, an 8 pound 10 ounce boy on the same date; Captain and Mrs. Harry W. Woods, a girl weighing 6 pounds 12 ounces on October 7.

Other October 3 births were a daughter weighing 7 pounds, ½ ounce to T/5 and Mrs. Oral Engberg, and a 7 pound 6 ounce son to Lt. and Mrs. Edward A. Rohan. T/5 Engberg is a member of the Torney enlisted detachment. Lt. Rohan is now overseas.

## Army Air Base Offering Scrap Lumber for Sale

Several tons of scrap lumber is being offered for sale at the Army Air Base here, according to an announcement just issued by Captain Gordon H. Hull, salvage officer.

The lumber consists of kindling, suitable for burning in fireplaces and stoves. There is also a limited quantity of lumber suitable for odd construction and building purposes, Captain Hull said. It will be sold at the rate of \$1.50 per ton-and-a-half truckload — and the purchasers will have to furnish their own transportation and labor.

Further information may be obtained by contacting Captain Hull by telephoning 2272, extension 57.

I understand that in another two or three weeks you might as well stay home unless you hold a No. 2 airplane priority.—Transportation Director J. Monroe Johnson.

under its belt, (see sports page) while Headquarters has indulged in two spirited, if slightly gruesome, sessions. And more are coming out every night.

So come alive men, say "yeah man" to your representative when he gives you the word, and get in a practice workout or two before the start. The gym is heavenly, workouts better than a Vitamin pill and that cool shower afterwards is like something out of this world.

## 5th OTU FACTS

Captain Harry W. Woods, officer in charge of organization and planning, isn't as a rule very loquacious, and during the last week in addition he was noticed about the field wearing a pre-occupied and sometimes worried and puzzled look. There were those who thought he was concerned with some weighty subject akin to the formula of atomic energy.

Came last Monday. He was no sooner on the field when he made a dash for the Post Exchange. There, at the tobacco counter, he quickly purchased that tell-tale box of cigars. Prying the lid open he began his tour of the various offices, a broad grin spreading like the morning sunrise across his face. It was a girl, he said, 6½ pounds, born to his wife, Eddie Mae, Sunday afternoon at Torney, and named Annette Rae.

"She doesn't look like me," he announced to the world. "She's beautiful", and that was a whole speech for the Captain.

Personnel of the 5th OTU this week received a farewell issue of "Sandscrip", the base newspaper, which was, in effect, a history of the Post since its activation in 1942. Sergeant Howard N. Rose, editor of the paper, received many congratulations on the issue, which is being much sought after by OTU-ers as a souvenir for mailing home. In pictures and in text, the final "Sandscrip" Volume 3, No. 38—graphically depicts the expansion of Palm Springs Army Air Field from a small tent city to a post which, in its heyday, was manned by thousands of GIs, ably assisted by a small army of civilian workers.

At the top of the front page, are photographs of the six Commanding Officers of the Post—Lt. Col. Andrew B. Cannon, Lt. Col. Richard D. Morgan, Lt. Col. Albert E. Higgins, Lt. Col. Frederick H. Foerster, Col. Robert J. Goewey, Col. Edward F. Hubbard. Also on the front page is a message from Col. Hubbard thanking all concerned for their part in doing "a very good job by everyone's standards." Then, in brief summary, is carried a capsule history, chronicling in telegraphic prose the story of the base.

A pictorial layout on the inside pages portrays the activities of the numerous departments which made up the field. The 723rd AAF Band, the Special Service department, the Guard Squadron, the Pilots' Training Squadron and the American Red Cross are all represented. Sports activities, an important aspect of the base, also are shown. Finally, there is a layout of scenes familiar to all GIs at the 5th OTU—a review, the rifle range, USO shows, the swimming pool, gas drill, and the flight line. Closing the issue is a tribute to the Army medics, those unsung individuals whose duty it is to keep the health of the army at a high level.

The "Sandscrip" and its predecessor publication have had three editors. The first was Staff Sergeant George Goodale, a Los Angeles newspaper man who is now at Ferrying Division headquarters in Cincinnati. Second was Staff Sergeant Harold Wex-

## Pfc. Martinez Gets Discharge From U.S. Army

Pfc. Carlos V. Martinez, husband of Carmen Martinez, 678 North Indian avenue, has received his honorable discharge from the Army at Torney General Hospital, where he has been hospitalized for the past 11 months. Pfc. Martinez reported for service in the Army in November, 1942, and trained at Camp Roberts in California, and at Fort Meade, as a rifleman with the 88th Glider Infantry, 13th Division.

He served in France for six months, participating in one major campaign.

Pfc. Martinez is entitled to wear the Purple Heart, European Service ribbon, Bronze Medal Stars and the Expert Rifleman's ribbons.

For Essential Transportation—U-Drive Cars. Phone 4444.

### Congressman John Phillips

By ETHEL GILLET WHITEHORN

EDITOR'S NOTE: Mrs. Whitehorn has been a student of government since her years at Stanford—1907-11. Her father, James N. Gillett served as California state senator, congressman from the first district during the administration of Theodore Roosevelt, and governor of California during her student days at Stanford—1907-11. He was the father of the California highway system and holds the record as California's most economical governor. Mrs. Whitehorn is editor and publisher of the Republican Spokesman which is active nine months prior to national and state elections. Her aim is to assist in every way possible to restore constitutional government. She believes in the two party system and has the same healthy admiration and respect for Jeffersonian Democrats as she has for Republicans.

The Congress of the United States is the only channel of government through which the people have a voice. Therefore it behooves all citizens who exercise their right to vote to make a careful survey of all candidates who will seek our confidence and trust in the vitally important Congressional election of November 1946.

California has 23 Congressional districts. They are represented by 16 Democrats and 7 Republicans. The California delegation, in the majority of cases, is nothing to rave about. The voters of the State can and should make changes that will be beneficial to all. This can be accomplished by re-electing those Representatives who have proved their ability, and defeating those whose sole purpose is to make the Constitution of the United States look like a dime novel.

The 22nd District of California is represented by John Phillips of Banning, whose record as a Congressman is classified in the top rank of true American statesmanship. Although his district is composed of Imperial, Orange and Riverside counties, with a population of 290,000, he actually serves the entire State of California due to his election in 1943 to the Committee of Agriculture, and the Committee of Irrigation and Reclamation.

There is a definite move afoot to defeat Mr. Phillips in the election of 1946. The Democrats have chosen for their candidate a Mr. Roy Adkinson whose experience as a legislator has not yet had its first birthday. Other potential Democratic candidates who had planned to make a bid for Mr. Phillips' seat have withdrawn in favor of Adkinson. Let us hope the Republicans will show the same amount of political acumen and not gum up the works by splitting the ticket to such an extent that it will have everybody confused.

John Phillips served in the California Assembly from 1932 to 1936. He was a State Senator from 1936 until his resignation to represent the 22nd Congressional district in 1942. In our State legislature, he made political history due to his high ideals and indisputable ethics. His record in Congress is above reproach. He thinks, acts, and votes as a loyal American should. His record is an open book to all citizens who will take the time to read the Congressional Record. Certainly the voters of Imperial, Orange and Riverside counties will never permit Mr. Phillips to be defeated by a man who has had no political experience whatever. Our job is to rally our forces and elect him in the June primaries as we re-elected him in the primaries of 1944.

A candidate, elected for the first time to the House of Representatives, is known as a freshman Congressman. He finds himself on minor committees, and, as a rule, it is only through years of service that he is elected to major committees.

When John Phillips was a member of Congress less than three months he was elected to the major Committee of Agriculture. There are 435 members of Congress, many of whom have served for a long number of years. The Agriculture Committee has 31 members. A freshman Congressman who, in so brief a time, wins the trust of his colleagues to the extent that he finds himself elected to a major committee, not only deserves the plaudits of his constituents but of the entire State from which he is elected. California is an Agricultural State. Mr. Phillips' presence on that great committee is something no Californian would care to jeopardize.

The three counties he represents can point with everlasting pride to his fine record. The candidate who moves to defeat him should be in a position to match that record. Ray Adkinson doesn't hold such a position.

#### Ida Flatte Added To Annette's Staff

Ida Flatte, manicurist and pedicurist, has been added to the staff of Annette's Plaza Beauty Salon. Miss Flatte has had wide experience in corrective treatments and comes to the Village shop after several successful seasons in Beverly Hills.

Pay your telephone bill before the 30th and receive a discount.

Congressman John Phillips

Plums, 17 1/2c lb.  
Pears, except Seckel and Forelle, 16 1/2c lb.  
Prunes, fresh Italian, 15c lb.  
Strawberries, 33c basket.  
Watermelons, iced or cut, 5 1/2c lb.

#### Racquet Club Dance Permit Approved

Application of the Racquet club for a permit to stage dances, the dates to be announced later, was granted by city council Wednesday.

The permit was based on the usual "subject to approval" of city safety officials.

#### Yosemite Official Guest in Village

Mr. and Mrs. Carleton E. Smith of Yosemite National Park, were weekend guests of Mr. and Mrs. O. M. Ward.

Mr. Smith is chief of the engineering department of Yosemite.

#### Zeke Reed to Make Headquarters Here

Zeke Reed from San Jacinto, who has been shoeing horses around the Village for a number of years, is now making his headquarters at the Araby stables and plans on spending the majority of the week here.

PALM SPRINGS, CALIF.

## Alpert FURS

174-D North Palm Canyon Drive  
THE ARCADE

#### Nicholsons Back From Vacation At Idyllwild

Mr. and Mrs. Gordon Nicholson of Nicholson's shop here, are back from Idyllwild after a summer spent there where they also have an apparel shop.

The store in the mountain area is being closed for the winter season. Nicholson's was open here all summer.

The Nicholson's son, Clarence, is in Long Beach on the staff of the Fred Dean Radio corporation and son Gordon Jr., is with the army of occupation in Japan.

The U. S. government negotiated a treaty with the Indians in 1795 for a plot of ground six miles square at the mouth of the Chicago river. Fort Dearborn was built there in 1803-1804.

#### Fire Chief Back From Vacation Trip

Fire Chief Bill Leonasio returned last week-end from a two-week vacation which took him into the central part of the state and as far north as Placerville.

Chief Leonasio said he just rode around looking at the country, eating and sleeping.

#### Villagers Attend Claremont Affair

Mr. and Mrs. Claude Gutthuet and Mr. and Mrs. O. M. Ward attended Founder's Day ceremonies at Pomona College, Claremont, last week.

John Ward, well known Village youth, and son of Mr. and Mrs. Ward, is a sophomore student at Pomona.

Pay your telephone bill before the 30th and receive a discount.

#### Clarence Hyde Family Greet New Grandson

Clarence Hyde, city councilman and manager of the Palm Springs Builders Supply company, is around town these days with his chest stuck out a foot.

Why? He's a grand-dad. Mrs. Hyde, well known local realtor, is taking it a bit more calmly.

A son was born to Mrs. Mark Hopp at St. Mary's hospital, Long Beach. Mrs. Hopp is the former Millie Hyde.

The proud father, Mark Hopp, is a member of the army air force and was in India when his eight pound, six ounce, son arrived. A cablegram telling him of the new arrival went out immediately.

For Essential Transportation—Yellow Cabs. Phone 4444.

Now Under New Ownership—

## Acme Electrical Co.

415 North Palm Canyon Drive

We have purchased the Acme Electrical Company from Lester Smith. It is our intention to operate along the same lines—electrical contracting, repairing and maintenance — and will, in addition, handle high quality electrical appliances.

**JOHN F. FUNDERBERG**

DESK LAMPS — TABLE LAMPS — BED LAMPS — NOW ON DISPLAY

## It seems to me

DOWN here at Fulton's WE just can't stay put— ALWAYS, either making THE place larger— ADDING more stock— OR beautifying— AND right now WE are engaged IN making the front entrance THE beauty spot OF Palm Springs— ANYWAY, that's what WE want you to think. WISH we could be finished FOR Western Week WHICH starts Oct. 15 BUT guess that's too soon. NOW of course THAT doesn't keep you FROM duding up yourself, AND can't think of ANY better way FOR you to dude up THAN to come right down here TO Fulton's AND pick out FRONTIER pants OF all-wool gabardine (ladies') FANCY shirts and ties AND a great big smile. NOW this Western Week IS great stuff FOR Palm Springs— THERE will be events AND such to take care OF every taste— AND a lot of credit AND a great big hand SHOULD be given TO responsible parties.

## Fred Fulton

**Fulton's  
Men's Shop**  
Oasis Hotel

Many Notables  
At The Lone Palm

Among guests at the Lone Palm hotel this week were Ernest Lubitsch, Rueben Maumolian, Sydney Landsfield, Archie Priesman and other notables of the movie world.

Horace Heidt, well known band leader, owner of the hotel, and Mrs. Heidt, were expected back today after a summer spent in Los Angeles and in Van Nuys.

The Lone Palm expects one of its biggest years this season and advance reservations indicate a virtual "sell-out" for the entire season.

Judge Krull and  
Bride Return to  
Rancho Mirage

Judge Francis Krull of Rancho Mirage returned to the Village this month—with a bride.

The new Mrs. Kru is the former Eva Harlan of San Francisco, a well known socialite of the bay area and prominent in Catholic church circles. Her cousin, Brother Andre founded the famous Shrine near Montreal.

They will make their home on the desert for the season.

Chief's Daughter  
Hostess at Party

Little Fleur Kettmann, daughter of Police Chief and Mrs. A. G. Kettmann, celebrated her fifth birthday this week, and in honor of the occasion, was host to a party of small friends at her parents' home.

Present were Roger, Marilyn and Stanley Clark, Michael Jenkins, Judy Sorum, Wanda and Stanley Watson, Roger and Susan Johnson, and the little hostess's sister, Star, aged 2.

Girl Scouts Will  
Meet on Fridays  
During the Season

Girl Scout meetings this year will be held on Fridays after school, Mrs. Pauline Smith, Scout leader, said today. The meetings will be held at the Little Scout house immediately after school is dismissed. This is a change from last year when meetings were held on Saturdays.

Second meeting of the year for Troop II was held last Saturday at Frances S. Stevens school. Mrs. Christine McDonald, assistant leader of the troops, aided by Mrs. Donald French, was in charge of the meeting.

Eleven Tenderfoot Scouts passed tests in music and dancing. They were Sonia Nordholm, Joanne Rose, Suzanne Cooper, Lois LeBrun, Darlene Renville, Carol McClung, Barbara Chinn, Barbara Greeley, Eleanor Purcell, Sandra McDonald and Shirley Dunlap.

Donald Pendery  
Completes Training

Ensign Donald Pendery, son of Mr. and Mrs. Horace Pendery of Palm Springs, completes radar training next month at the Massachusetts Institute of Technology. He will be home in November before reassignment.

Ensign Pendery was an honor student at Stanford and took the combined naval and scientific course at California Institute of Technology before going to New York for advanced scientific study. He was among the 10 top men in a class of 400. After several months at Bowdoin college, Maine, he was sent to Boston to the Institute of Technology.

For Essential Transportation—  
U-Drive Cars. Phone 4444.

Don't Leave Valuables in Your Car,  
Advice of Police After Flurry of  
Petty Thievery of Parked Automobiles

Local police and officers of surrounding cities were seeking a pair of men, described as between 20 and 30 years of age, who have been robbing automobiles parked in canyon areas while their occupants were picnicking or hiking in the mountains.

First report came from Mrs. Evangelina Bond, 572 South Indian, who told police that when she and a party of friends returned to their parked car from a hike in Tahquitz canyon, they found that someone had broken a car window and stolen purses containing \$60.

## CASH STOLEN

Sunday, Lt. W. C. Gallenmore, 487 San Carlos Way, and his guests came back from a Tahquitz canyon hike and discovered that the wind-wings had been removed from their locked car, entry gained, and about \$40 in cash stolen.

Later on Sunday, Joseph H. Butler, Jr., of Bell, Calif., picnicking in Palm Canyon with his family, saw two men take two purses from the family car. When he approached, they fled in another car. He gave chase, but lost them as they turned toward Indio. Local police sent out a broadcast, and later, Indio police reported that the car in which the men fled had been found abandoned on an Indio street.

## FIND STOLEN PLATE

Check of the license plate disclosed that it was one which had been stolen a few days before from the automobile of Paul Frost, local post office employee. Frost had reported the theft earlier. Further check revealed that the car on which the stolen plate had been fastened, was a car stolen in Los Angeles the week before.

The purses stolen from the Butler car were found near Cathedral City, papers and rolls of still and movie films intact, but about \$50 in cash missing.

Butler was able to give police a fair description of the two men and a wide search is on for them now.

In the meantime, Chief Kettmann urged that picnickers and hikers take their valuables with them instead of leaving them in their cars.

What Goes On  
in  
Rancho Mirage

Mrs. Arthur E. Hull entertained Mr. and Mrs. G. C. Stamm and daughter Marjorie, of Los Angeles, over the weekend at her home, Nuestra Cabana.

Mrs. A. P. Burgard has returned home after an extended visit in Los Angeles—and has Pete a grin a mile wide?

Judge Francis Krull, who spent the summer in San Francisco, surprised his neighbors by bringing back a charming bride, the former Mrs. Eva Harlan of San Francisco—and does she like the desert?

Francis Drake (yes he was named for his distinguished kinsman, Sir Francis), orange and avocado grower of Escondido, and family have taken the Rancho Pancho on Sahara Road, for the season, after an extended trip through Mexico.

Mr. and Mrs. A. J. Odell have taken the Mel O'Reilly house for the winter. They recently sold their beautiful home in Tahquitz Estates.

Dave Culver had for his house guest last weekend Ben Koepke, area rent director of OPA.

M.G.M.'s John Warburton was a guest of the Ed Ewerts while completing some work on his Red Roof ranch. Ruthe is still in New York.

Jack and Hal Wilson of Hollywood have reopened their ranch house, Hal's Acre, in the Rancho del Sol.

The Dean Vincents (he a top flight banker in Portland) are now established in their new El Ranchita in the Rancho del Sol. Lt. Dean Vincent Jr. and wife, also Sgt. Lauren Gale and wife of Portland are their house guests.

Mrs. Don Maher of Ranchita Pepperetta was visiting in San Bernardino last week.

F. C. Clancy of Santa Monica stopped at his ranch in Rancho del Sol for a few days on his return from Chicago.

The Jim Waldens of Rancho del Sol spent a few days in Los Angeles as guests of their daughter, Mrs. H. W. Duncan.

Mrs. Stufington-Smith left her neighborhood to live in the West. After several years' absence she returned, very much slimmer.

"Well, how do I look?" she asked a former neighbor. "Did you notice I've lost weight?" "You look very well, indeed," said the friend heartily, "and we also noticed you'd been dehydrated!"

Bill Foldesy in  
Town, His 3-Year  
Army Term Ended

Bela V. (Bill) Foldesy is putting an "ex" in front of sergeant these days. He's back in civvies, out of the Army and just eager for a vacation and a rest before going back to the task of managing the Palm Springs hotel.

He went into the Army in October, 1942, and has been in the air corps ever since. As far as Army life goes, he didn't travel much. Most of the three years he was in the Army he was stationed either at Camp Fairfield or Camp Hamilton, both in California or at Hickam Field, Hawaii. It was on the islands that he finished up his service, flying back to Long Beach and then to Fort MacArthur, where he received his discharge.

For the present, he said, Sisters Irene and Margaret will continue to manage the Palm Springs hotel. He wants to take a little rest before getting back into harness.

"They did such a great job pinch-hitting for me, that I'm going to let them continue for a while," he said.

## MORE ABOUT . . .

## Western Week . . .

ture, said that Charles Farrell, Trav Rogers, Frank Bennett, Horace Heidt and Charley Foy had promised to serve.

President Purnell of the club, asked all Villagers to "go west" for the week and to don Western attire.

Monday night's court will be held by the Village Pharmacy; Tuesday night's at the Plaza, where the street dance is to be staged and Wednesday night's at the Mashie Court of the Desert Inn grounds, where the Chamber of Commerce will stage its second annual barbecue in conjunction with Western Week.

## MANY TO TAKE PART

Sheriff's posses, mounted police from several cities, riding clubs and stables from all over the south have indicated their intention of joining in the big parade a week from Sunday. Response to invitations sent out by the Los Compadres club has been generous, and the second annual Western Week promises to be a highly successful event.

The second annual Chamber of Commerce barbecue, scheduled for Wednesday night at the Desert Inn Mashie Court, will be a highlight of Western Week. Sale of tickets for the event has been brisk, and an even larger throng than that which took part in the event last year is expected. Besides an excellent dinner, under direction of Jack Boyer, there will be entertainment by all of the artists now at local night clubs and resorts.

## TWO SPECIAL SHOWS

Two motion picture shows will be special features of the week. On Wednesday at 4:30 p. m., as a preliminary to the Chamber of Commerce barbecue, pictures of the Franconia Notch Tramway will be shown at the Plaza free to Chamber members and their families. Earl Strebe is offering the show as a part of his contribution to Chamber of Commerce Day. Besides the pictures of the New Hampshire tram, which will give Villagers an idea of the local tramway to the San Jacinto snow sports area, a snow sports short will be shown.

The other special picture is "Don't Fence Me In," brought here for premiere showing by Mr. Strebe in connection with Western Week. It had been planned to have Roy Rogers, star of the show here, but he had to be in New York that day and sent his regrets.

CWS HELPS SAVE  
RAISIN CROPS

Loan of 50 special gas masks by the Army Service Forces to ranchers aided in saving the county's recent raisin crop from leaf hoppers, it was learned today at Ninth Service Command headquarters at Fort Douglas, Utah.

The masks, secured by Chemical War Service from the ASF Depot in Ogden, Utah, and flown to Fresno, are designed to protect ranchers from the deadly cyanide dust sprayed on the grape vines.

Col. A. B. Jones  
Returns From  
Big Conference

Col. A. B. Jones, commanding officer of Torney General Hospital, returned to Palm Springs, Sunday evening from Fort Douglas, Utah, where he attended a Ninth Service Command hospital conference last week.

Present at the conference which was called by Major General W. E. Shedd for the purpose of discussing many aspects of hospitalization, were commanding officers from all general and regional hospitals in the command.

Among speakers appearing was Col. Meredith G. Bever, surgical consultant for the Ninth Service Command and former chief of surgery at Torney, who discussed professional procedures.

Desert Laundry  
Incorporated to  
Provide Expansion

Articles of incorporation for the Desert Hand Laundry were filed with the secretary of state Oct. 1 by Arthur E. Bailey, L'Lee Bailey, Norval Kelley, Alice B. Kelley and Roy W. Colegate, the original board of the new company.

The corporation will be managed by Mr. Kelley, for 20 years experienced in the laundry business both as manufacturer and in the sales department. Prior to his connection with the Desert Hand Laundry, he was for seven years in the business here as agent for the California Laundry Service.

Purpose of incorporation, it was announced, is to provide for anticipated great expansion and to install a modern dry cleaning plant.

Application has been filed to issue 1000 shares of stock at \$100 per share. It is the intention of the corporation that all stock be held locally to make it a community enterprise throughout.

President of the new company is A. E. Bailey; Mrs. Bailey, vice-president; Mr. Kelley, general manager, and Mrs. Kelley, secretary and treasurer.

Mr. Kelley said that it is the purpose of the Desert Hand Laundry to specialize in fine hand work and in order to do this, more space is needed at the plant at 383 North Indian Avenue. Remodeling and rebuilding is planned at the earliest possible date.

New Teacher  
Added to Staff

With enrollment soaring 40 to 50 students above what it has been in the past, the high school trustees have found it necessary to add another teacher to the high school staff.

John M. Weeks was employed this week to assist in social studies and physical education. The high school staff now numbers 15, including Mrs. Smith, who serves only one period each school day for band instruction.

## MORE ABOUT . . .

## This Side of Sun . . .

... Speaking of Herb Tompkins, air base sax player, he went horseback riding the other day. Last seen of him by his companions, he was disappearing over the skyline, one foot in the stirrup, the other at quarter past six, hanging on to the pommel for dear life. Maybe the horse thought he was carrying too much weight . . . Rudy Buchanan, new manager of the local movie house, is getting his experience "in front" now. He used to be back stage and a long time stock company actor.

ODDS AND ENDS—Red Cross staff at Torney General Hospital was host to the local Grey Ladies this week at a merry party, in appreciation of the great work the Village women have done . . . Margaret O'Brien was a Village Inn guest, later moving to the Ingleside Inn . . . Natalie Cobian is questioning her blond cocker spaniel which this week gave birth to seven jet black pups . . . Event I want to see is Mayor E. E. Theriault astride a horse in the Western Week parade . . . Horace Heidt is back in town. Can remember when I used to wait by the radio for "I'll Love You in My Dreams" his famous band's theme song.

IN CLOSING—Well known Villager, who ought to know, called me this week to ask: "Whose birthday are we celebrating Friday. Notice the date is in red on the calendar." Today is Discovery Day. It was 503 years ago that Chris Columbus first glimpsed America. In all that time no one has discovered a simple way to change a type-writer ribbon.

Talented Pianist  
Starts Engagement  
At Popular Dunes

Fred Witmor, talented pianist, who is now entertaining nightly at The Dunes, comes to the Village direct from a year's engagement at the Arrowhead Inn in New York.

Prior to that engagement, he was at the Chez Paree in Chicago and was on the CBS staff there. Witmor was also soloist and arranger for the famous Merry Macs for some time.

A wizard at the keyboard, Witmor also has the faculty of being a gifted entertainer. His repertoire is extremely large and The Dunes patrons have yet to have their requests unanswered.

He is appearing nightly at The Dunes' smart cocktail bar and will be here for an indefinite engagement.

Miss King Will Be  
At Village Pharmacy

Miss Emily C. King from the Bonne Bell salon will be at the Village Pharmacy Oct. 18, 19 and 20 to give demonstrations and advice on the proper use of the Bonne Bell beauty aids.

Years of research in the field make Miss King's demonstrations instructive and interesting.

## Norma McCall Is Bride at Wedding Rites at Torney

Mr. and Mrs. Charles C. Adams of 266 S. Indian avenue are announcing the marriage of their daughter Norma McCall to Private First Class Jay N. Truax last Tuesday afternoon, Oct. 2, in the Chapel at Torney General Hospital.

The ceremony performed by Chaplain Wm. A. Lutker climaxed a romance which began six months ago at the hospital where Pfc Truax is under treatment for injuries sustained in Europe.

Bridal attendants were Miss Lillian Chambrim of Redlands, and Chaptain James Hawley of the Torney surgical staff.

The bride, a Palm Springs resident, has been employed at the hospital since her graduation from Palm Springs High School class of June, 1944.

Pfc. Truax is the son of Mr. and Mrs. Earl Truax of San Patricio, N. M. Upon receiving his discharge from the hospital he and Mrs. Truax will return to his home state to make their home in Roswell.

## Irene Denning Joins Dot's Staff

Irene Denning, cold wave technician, formerly associated with Gaylord of Wilshire boulevard, is now at Dot's Beauty Shop on East Andreas road.

Mrs. Dorothy Jennings, proprietor of the shop, is returning for her tenth season, although the shop was not in operation during the last two years. During that time the shop was not in operation during the last two. During that time the telephone was removed bus, according to Mrs. Jennings, will be installed again as soon as priorities permit.

## Desert District Staff Gathers in Social Evening

Teachers, board members and all officials and employees of the Desert School district, rallied Wednesday night to a gay party at the Deep Well guest ranch.

Swimming at 5 o'clock started the evening's festivities, followed by dinner at 6:30 and dancing thereafter.

Mr. and Mrs. E. W. Emery and Roy Randolph, noted dance instructor, were in charge of the program.

Miss Katherine Finchy, superintendent of the district, arranged the affair.

Members of the Desert District board are Mrs. Nellie N. Coffman, Mrs. R. F. Cutcault and Mrs. Melba Bennett. Mrs. Bennett is serving temporarily during the absence of Francis F. Crocker who is now in England.

## Donna Lenwood Becomes Bride Of Bill Thompson

Donna Lenwood, well known vocalist, who has appeared in many big spots in the nation and who recently pleased patrons at Mr. Dee's, Tuesday, became the bride of William Thompson, well known Villager at a ceremony performed by Judge Guy Pinney at his local office.

The wedding was solemnized at 5 o'clock. Jack Lasley was best man and Mrs. Bobbie Oelkers attended the bride.

Mrs. Mabel Mancebol, mother of the bride, was a special guest at the ceremony.

It is stupendous. It is colossal. It is beyond any other country. —Col. K. S. Himmatsinhki, military advisor to adjutant general of India, touring Detroit's industrial area.

Notre Dame's all-time football record against Big Ten competition shows a .665 winning percentage.

**BRIDE — Miss Sylvia Schuler, who recently became the bride of Sgt. Thomas McGowan at ceremonies at St. Paul's here.**

## Sylvia Schuler Becomes Bride Of Sgt. McGowan

Sylvia Katherine Schuler became the bride of S/Sgt. Thomas J. McGowan at an impressive ceremony at St. Paul's in the Desert Episcopal church recently. The Rev. Robert M. Hogarth, vicar, officiated.

The bride, given in marriage by her "proxy" father, Boyd Moore, wore the traditional white satin gown trimmed in seed pearls. She wore a fingertip veil and carried white roses. Her maid of honor, Cpl. Julia C. Sullivan, wore an ice blue gown with Juliet cap and her bouquet was of white gardenias.

Sgt. Daniel Santucci was best man.

The couple plan to make their home in New York state after Sgt. McGowan leaves the Army.

## Mrs. Hathaway Back For 12th Season

Mrs. Emma Hathaway and Mrs. Edward Barnum have taken the cottage at 189 South Palm Canyon drive for the season.

Mrs. Hathaway is the former owner of the Los Arboles apartments and has been coming to Palm Springs for the past 11 years.

Mrs. Barnum is USO director of the state of Washington and prominent in club work there.

Installment buying is expected to come back strong after the war. Failing to make payments on time, is buying on the installment plan.

## Villagers Rally For First Dance At Desert Inn

An atmosphere of informality and good fellowship prevailed at The Desert Inn's first dinner dance of the season on Saturday, November 6th. Among those dining and dancing on this occasion were Judge Francis Krull and his bride, Dr. and Mrs. J. R. Macartney, Major Robert Ransom, Mr. and Mrs. R. M. Parker, Mr. and Mrs. Tom Holland, Mr. Zaddie Bunker and party, Mr. Lloyd Simon and party, Mr. and Mrs. Harry Fishbeck, Mr. and Mrs. Irving T. Snyder and party, Mr. and Mrs. Milton Hicks and party, Mr. and Mrs. Carl Lykken, Mr. and Mrs. Harrison Luesler, and Mrs. Holly Visel and her guests, Lt. Com. and Mrs. Jack McDonald.

## DOCTORS IN SESSION

From here on through the past week the atmosphere has been definitely scientific, all accommodations having been reserved exclusively for the visiting dentists, physicians and scientist. Here to study the practice of dental medicine, the participants of the Seminar have little time for sociability. However, following their arrival and registration at The Inn Sunday evening, they did take time out for a cocktail party.

Another light moment in these long days of study and formal discussion is the manner in which the doctors are awakened in the morning. Promptly at 6:30 a.m. one of the members of the group assumes the role of "town crier" and goes about the grounds ringing a bell. Then there is a grand rush to the swimming pool, and for a few minutes at least, dentists, physicians and scientists are just boys again at the "old swimming hole". Also, it has been observed during meal time the various members of the group exchange autographed menus, a custom reminiscent of good old college days.

## GIVES EXHIBITION

Speaking of the swimming pool, Peter DiCicco, Swimming and Diving Professional at The Desert Inn, gave an exhibition at the pool Monday afternoon. After several magnificent dives, Peter donned his long, red drawers with the drop-seat and white buttons, and did a comedy number, much to the delight of his audience, which included Dr. and Mrs. Bertram P. Brown and their charming daughter, Anne Lee Brown, who are registered at The Village Inn. Among many others enjoying the swimming pool at The Desert Inn these lazy October afternoons are Colonel and Mrs. J. F. Turner, (Air Corps) and Miss Janis Paige, Warner Bros. Starlet.

## WAC Detachment At Air Base in Farewell Party

The patio of the Dunes was the scene of a farewell party attended by 70 members of the Palm Springs Army Air Field WAC squadron Monday night. Since all members of the squadron are to be reassigned to other installations, the occasion marked the last get-together for the members of the organization, several of whom have been at Palm Springs almost since the activation of the field.

Among the old-timers specially honored at the party were Captain Alyce L. Nash, commanding officer of the squadron since its inception, 1st Lieutenant Louise Walbert, and First Sergeant Nancy Tutt, who came to Palm Springs Army Air Field as a corporal and worked up through the non-commissioned grades to her present position.

The entire patio of the Dunes was turned over to the squadron for the occasion, and a chicken dinner with all the trimmings was served by candlelight. Sergeant Bill Bilotto provided piano entertainment, and a pictorial record was made of the entire event by Pfc. Jean Roche, Wac assigned to the Base Photographic laboratory, who used the party to break in the new press camera she purchased recently in Chicago while on furlough.

Wyoming was the 44th state to enter the Union.

## First Barn Dance Of Season Oct. 18 At Rogers Ranch

The spirit of the Old West will really live again Thursday night when Rogers' Ranch stages its first barn dance of the season. For 16 years Trav Rogers' cantina and corral have been a popular spot with the Villagers and the many improvements made this season will only increase the popularity.

Construction on the new dining room has started, which, according to Trav, was necessary because so many people found out about the delicious spare ribs and steaks.

A carload of new horses arrived the first of the week and are ready now for Western Week. The usual rides will be continued this season, including the popular steak rides, breakfast rides, business men's breakfast ride and moonlight rides.

Returning after a wartime absence, during which he worked in a defense plant, got married and had a son, will be Johnny Lyons, popular guide and camp cook. Lyons declares he couldn't have his son grow up in a city and returned to Palm Springs so the boy could get a taste of the west.

## Former Village Woman Bride At Mission Inn

Word was received in Palm Springs this week of the marriage of Mrs. Susan Jonas, a well known former Villager, and J. B. Ransom, prominent Los Angeles realtor and subdivider. The ceremony was performed at the Mission Inn in Riverside on October 8 with Mrs. Charles F. Jonas, wife of Lt. Jonas, now overseas, and Mr. and Mrs. J. B. Ransom, Jr., as guests.

The newlyweds will make their home in Dallas, Texas.

The new Mrs. Ransom is well known in the Village. She operated the Wayside Inn here for many years and had spent 12 years as a Villager. She has many friends in Palm Springs.

## Building Record Lower as Big Rush Swamps Department

So swamped was the city building department this week with inspections on previous permits—building, electrical and plumbing—that all new permits were held in abeyance for a week and only one, which had been passed on before, was issued. This one was to W. Larabee, 1066 El Alameda, for a re-shingling job, at \$200.

The permit brought the year's total building to \$902,750.

Arthur F. Wright, building inspector, said that with the applications now on file for permits and those expected within the next few days, he anticipated the Village would top the million mark before the end of the month.

The building department has been on the jump for the past few days with the many inspections provided for in the city laws. Mr. Wright and his assistant, Lt. Paul Shreve, a veteran of two and one-half years service overseas, and P. M. Swart, deputy city engineer, have been doing overtime work to keep up with the situation.

This week has been devoted to book work and inspections solely. Issuance of new permits will be resumed next week.

Lt. Shreve, the new assistant, was in the North African, Sicily and Italian campaigns. He was hospitalized in the latter and sent to Torney. An experienced man, he is assisting at the city hall pending discharge from the army.

## NAA Chapter To Stage Dance Here Oct. 30

Plans for the dinner dance to be staged Oct. 30 at the Desert Inn by the Palm Springs chapter of the National Aeronautics Association were discussed this week at a meeting of the board of directors.

It was announced that the local airport will be available for members of the Los Angeles chapter who expect to fly down here in force for the event. The field will be available on Oct. 30 and 31 for the Los Angeles NAA flyers.

The dance is for all members of the local NAA and the Civil Air Patrol and their friends.

For Essential Transportation—  
U-Drive Cars. Phone 4444.

## Ortiz and Band Open Season at Latin Quarter

Michael Ortiz, famed Latin-American musician, and his band will highlight the opening of the Latin Quarter Thursday, Oct. 18. The popular night spot has been redecorated and many improvements made, it is stated by Managers Steve Stephens and Hugo Codebo.

George Strebe, who recently acquired an interest in the club, will become an active partner as soon as he is released from the Navy.

The world marches on: Now chemists report that DDT may be obsolete within a year because of better compounds. Most folks haven't had time to sample the elusive product.

## Weber's BREAD-TIME STORIES

### KITCHEN TRICK

TOMATO JUICE can be easily made from tomato paste, but remember not tomato sauce. Just add water until diluted to your taste, then salt. A dash of Worcestershire sauce gives added tang.

### HOUSEHOLD HINT

THOUGH IT'S a good practice to air your feather pillows frequently, don't hang them in the direct sunlight. This is harmful because it draws out the natural oil in the feathers and makes them less soft.

### RECIPE

#### WESTERN SLAW

4 c. green cabbage, shredded  
1/2 c. salted peanuts, chopped  
2 tbs. onion, minced  
1/4 c. pimiento, chopped  
1 c. whole grain corn  
French dressing

Shred chilled cabbage, then combine all the ingredients. Moisten with French dressing, then toss well.

### GOOD NOURISHMENT

GOOD TASTE — good nourishment — plus oven-freshness are the things that make Weber's Bread such a mealtime favorite. Remember, too, Weber's gives you the important vitamins and minerals of 100% whole wheat!

## Movie Influence On Public Subject Of Global Gabbers

The powerful influence of the American Motion Picture industry on the thinking of the nation and of the world was the topic Tuesday night of the Global Gab society as it swung into its third active year here.

The topic for discussion was "Should the Motion Picture Industry Make Pictures Definitely Planned to Influence Public Opinion?" Sgt. Paul Lovatt, of Torrey, was chairman.

In the discussion that followed, the consensus was that the movie industry played a great part in swaying the public mind and that Hollywood, therefore, has a great responsibility in choice of pictures and actors. It was also brought out that, with the end of the war, American movies will again flood the world and that they should portray the true picture of America instead of some of the sensational themes now put out.

Several winter residents who make it a point to visit the Global Gab at its Tuesday evening sessions at the Chamber of Commerce were present at this week's session. The meetings open at 8 o'clock.

Earl Snyder, Los Angeles real estate man, was a week end guest of Dr. I. W. Lynn.

## El Patio Courts Opened for New Season by Kanin

Mr. and Mrs. David Kanin, owners of the El Patio courts on North Palm Canyon drive, have opened the courts for the season after having redecorated, renovated and repainted all of the units.

Housekeeping apartments and hotel rooms are available at the present although many reservations for the season have been accepted.

Garson Kanin, noted film director and son of Mr. and Mrs. Kanin, is part owner of the courts. He has recently been released by the Navy after four years of service and is now directing Robert Sherwood's latest play which will open soon on Broadway. Michael Kanin, Hollywood scenarist and writer, is also a son.

The Kanins took over the court in January of last year. Mr. and Mrs. Silva have been engaged as managers of the court.

## Harry C. Harper Puts in Big Week Addressing Clubs

Harry C. Harper put in a busy week, last week. Newspaper Week. He addressed Kiwanians at Hemet last Wednesday, Kiwanians at Banning Friday and spoke Thursday at a meeting of El Centro Rotarians on the tourist trade.

On October 12 he is slated to address the county farm bureau at a meeting at Gilman Hot Springs on the subject, "Let's Sell Riverside County to Riverside County Residents."

### SPEAKS AT BANNING

In his Newspaper Week talks at Hemet and Banning last week, Mr. Harper, formerly a newspaper editor, called attention to the great work the newspapers did in World War II.

Practically all two governments in the world still have a free press, the United States and the British Empire, Mr. Harper said.

In Russia, and the Balkan states, now dominated by Russia, the newspapers print only what the government permits to be printed, and are therefore mouthpieces for the government.

Due to the licensing provisions radio is controlled by the government in America, and therefore radio stations cannot take any chances on having their licenses revoked. A free press is the guardian of all other freedoms, Mr. Harper said, because it champions the freedom of speech, of religion, and all other freedoms.

Mr. Harper said the small-town newspapers are the backbone of the nation, as the editors are in close touch with the people and therefore their newspapers reflect public thinking.

"Show me a progressive newspaper and I'll show you a progressive town; show me a backward newspaper and I'll show you a backward town," he added, "A community is judged by its newspaper."

## High School Youth Undergoes Operation

Terrence Flynn, 17, Palm Springs high student, son of Mr. and Mrs. William Flynn, local painting contractor of 585 Calle Rosa, was taken seriously ill recently and when Dr. Joseph D'Alessio was summoned, the case was diagnosed as acute appendicitis.

The youth was rushed to Redlands hospital where an operation was performed by Dr. D'Alessio and Dr. C. H. Peppers.

He was discharged from the hospital Tuesday and returned to his home here.

We can think, but we can't talk. I'm afraid we're very dull.—Duke of Windsor, in commenting on English election.

## Reports of Summer Activities of Red Cross Are Heard

Regular meeting of the board of directors of the Palm Springs branch of the Riverside county chapter of the American Red Cross was held at the Fiesta Room of the Desert Inn last Wednesday morning at 10 o'clock. Chairman Harold West was in the chair.

Miss Mary Ellen Pangle, of the county chapter, was present and spoke to the group on postwar plans of the Red Cross. She said that the needs are greater now than during the midst of the war. There will be no let down in the immediate future, she said. The load is increasing instead of decreasing, she said.

### WANT RECORDS

National headquarters in Washington have asked that all men and women in the Red Cross service since Jan. 1, 1940, send in their names to their chapters to enable the Red Cross to present pins, stripes, buttons and other appropriate decorations for the service they put in. These records, Miss Pangle said, must be in before December.

Mrs. William Lippman, special services chairman, reported that there is no current need for surgical dressings but that there is an immediate need for workers to make slippers, afghans, wash clothes, pillows and so on. At the present time, the production department is making garments for the Philippines and they will go with the first shipment sent there.

### NEW CHAIRMAN

Mrs. Jean Colburn was appointed new chairman for the hospital and recreation committee, succeeding Mrs. Harold Murphy. Mrs. Murphy, who handled the work of this committee during the summer, reported that four workers had put in 18½ hours during the hot months. Mrs. Melba Bennett reported that eleven nurses' aides had put in 161 hours of service since the last report. Mrs. Tom Holland, chairman of the Production committee reported that two workers gave 19 hours of service during the summer, producing 390 surgical dressings.

Mrs. Harris Posey, new chairman of the Staff Assistants, said that four workers had put in 26½ hours in this department. Mrs. Rose Dougan, chairman of the motor corps, said that one worker had given 108 hours of service since the last reports of this committee. Mrs. Sam Gendel, acting chairman of the home service committee during the summer, reported that two workers had put in 85 hours in this service.

### REPORT ON ACTIVITIES

Mrs. Alice Guthrie of Desert Hot Springs and Mrs. Walter

## Pomona Lad Has Reason to Keep Village in Mind

Boby Abbott, son of Mr. and Mrs. H. T. Abbott of Pomona is going to remember his visit in Palm Springs.

He came down to the Village with his mother and father for a vacation following his dad's discharge from the U. S. Navy after three years service. They were guests at the Monte Vista apartments. While here the youngster developed a bad cold and taken to Dr. I. W. Lynn's office, a tonsilectomy was recommended.

The operation was performed and after a few days of rest, the lad was back in circulation, enjoying the Village with his parents.

The emperor represents God in Japan. He should pay for impersonating God.—Adm. William F. Halsey.

Melrose of Cathedral City reported on activities of the Red Cross in their communities during the summer months.

Mrs. Madge Holderman of the Health Center, public health nurse for the city, said that the blood bank had been closed and also reported that seven nurses aides from the Village attended the polio institute in Riverside.

**WHAT'S THIS  
ABOUT TEN-O-SIX?**

You say it aids in clearing externally-caused skin irritations on face, body and scalp? Yes . . . and that makes TEN-O-SIX valuable to those war workers who suffer from externally caused industrial dermatitis! Men like it as an after shave lotion for it relieves the itching caused by a close shave. Women like TEN-O-SIX as a cleanser because it leaves their skin with a stimulated, "wake up and live" feeling! It's easy and pleasant to use . . . get the TEN-O-SIX habit today! It's a product by . . . **Bonne Bell**

## Council Decides Policy for Use of Field Club Grounds

City council at its meeting Wednesday decided to ask the Los Compadres club to put up a bond of \$200 to guarantee that the Field Club would be left in good condition after the Western Week Gymkhana, October 21, and not to charge any fee for the concessions which the club has generously offered to the Palm Springs Boys' Club.

Mayor E. E. Theriault explained that this policy will prevail for all uses of the Field Club for civic affairs and is not directed against the Los Compadres club, sponsors of Western Week which will usher in the new season here.

Decision to request a bond came after a report was filed by the city manager's office. It will cover the city's cost arising out of use of the field.

Mayor Theriault told council that inasmuch as the Los Compadres club was giving the concessions to the Boys' club and that this was a juvenile assistance project, he did not think a fee should be levied.

Council also voted to grant dance permits to the Los Compadres club for Western Week. The street dance in midweek at The Plaza, being free, council voted to waive the customary fee. The Western Dance at the Roller Rink, being a charge affair, will be assessed the regular fee, council decided.

## Rain on Tin Roof, Fine Music, Draws Pago Pago Throngs

With rain on the roof furnishing a soothing melody to aid and abet the good music by Dick Russom and his trio, Eddie Brandhorst's Pago Pago re-opened last Friday night with a great crowd of Villagers present to enjoy the excellent food and the music and other diversions of the place.

Dick Russom, who plays a tuneful piano, has with him Bill Lands on the guitar and Mitch Mowrey on the bass. In addition, there is Mary Trent to vocalize with the old and new numbers.

The Pago Pago, re-opened last Friday night after a summer of redecoration and remodeling, is proving a highly popular resort for Villagers and visitors.

Johnny Brooks is there as manager as usual, to greet clients of the place and find them advantageous seats and tables.

## Lt. Grant Wood Expects to be Sent Overseas

Lt. H. Grant Wood, well known Villager, formerly connected with The Desert Sun and later publisher of the Palm Springs News was a visitor in the Village this week to see his mother, Mrs. Ernestine Wood, civilian nurse at Torney General Hospital.

Lt. Wood, who has been stationed at Dayton, Ohio, with the army air corps, is en route to Camp Kearns, Utah. As this is a replacement center for overseas service, he expects to be assigned to the army of occupation.

In the service for three and one half years, he arrived here Tuesday and plans to leave tomorrow for the Utah post.

Louis Wells of Salmon City, Idaho, spent two weeks in the Village as guest of Dr. I. W. Lynn.

For Essential Transportation—

## Doing the Village

with  
Moya Henderson

As per tradition the season was officially opened Saturday night at the Desert Inn with the first dinner dance. A gala throng was in attendance. The Dawson family was well represented by sisters Zedie Bunker, Lily Goff and Mrs. Ellis Parker. Mr. and Mrs. Earl Coffman and Mr. and Mrs. George Roberson were on hand to greet their many old friends including the Carl Lykkes, Robert Ransoms, Irving Snyders and many others.

Enjoying the tropical rains at the Pago Pago were Josephine Sprague, Joe Snyder, the Merrill Crocketts, Charlie LaRues, Elly Winfields, Meridith Helms, Earl Hough and Roy Randolph with others who dropped in from the Desert Inn party for a night cap.

### LIST IS GROWING

In spite of the many parties and festivities in the Village over the week end Ruth Roberson and sister Lou Shilling took off for Balboa and Virginia Cross was seen steering her convertible toward the Ambassador in Los Angeles.

The list of fellows back from service with Uncle Sam, keeps growing and growing we're happy to report. Bela Foldesey will once more be standing in the lobby of the Palm Springs hotel with his pleasant grin for incoming guests and Earl Neel, after a stretch of over three years in the Pacific is back in town looking wonderful to all of us who haven't seen him for so long. He, with wife Jane and the Jack Gorchams, were out doing the town to'other night, looking over the old haunts and getting acquainted with the new ones. Other old timers who just can't stay away too long without dropping back to the Village for a visit with old

friends are Esther Pauling and her mother and Mary Helen Thompson. You'll have to admit it gets in your blood.

### RUSHING AROUND

Busy rushing to and fro. Phil Delano rounding up transportation for the Indian band to lend color to next week's parade. Hazel West and Esther Wiengarten smiling at the Plaza's passing parade, Hortense Murray off to play bridge, the Henry Wicks opening their house for the season, High School Rooters passing through town celebrating their victory over San Jacinto, Mrs. Bradstreet Miller shopping with daughter Barbara who is down for a short vacation from Stanford, Frances Mannington bidding her time at the Dugout waiting for the return of her soldier and Dr. Ernest Oertel hurrying, (not speeding) down Ramon Road to Lion's Luncheon. Dr. Oertel is the man who is responsible for the wonderful speakers and programs the Lions have had in the last couple of years and we Villagers have enjoyed at the winter forum series. Just a chance to let you know the series will be available again this winter with a line-up of well known guests so be looking for notices of the first one as you won't want to miss it.

### BIG WEEK COMING

The big week is upon us with plenty of excitement and plenty of fun, something doing every day, rides and dances, kangaroo courts, barbecues, open house at the theatre and the grand climax, the western parade and gymkana at the field club. You won't want to miss a thing but take warning, woe to you who don't go western, we'll see you in the old corral.

### Village Visitor Undergoes Operation

Mrs. Ruby Weisbrof, a visitor in Palm Springs from Huntington Park was taken to a Los Angeles hospital where Dr. I. W. Lynn performed a major abdominal operation.

She is recovering nicely and will soon return to Palm Springs to complete her visit.

Over the gate of the West Virginia penitentiary is the state motto: "Montani semper liberi" (mountaineers are always free).

California lemon shipments last winter, November through April, were 50 per cent greater than the average of the five years ending with 1938.

Drop Basketball  
Contest, 34-20**

A ragged, but dangerous Torney General Hospital Reconditioning five notched a 34-20 practice win last Tuesday over the combined efforts of MC and MAC officers at the hospital.

Jansen, the winner's lanky civilian forward, dropped in seven buckets, mostly via the set-up route, to lead the scoring as Sutton followed with nine digits of his own.

Davis and Courson led the Officers with 7 and 6 points, respectively. Both teams needed the game badly and will show better for it in their league contests.

Preparedness does not incite war any more than insurance invites fire.—Brig. Gen. John W. Mahan.

The first baseball series and first admission fee to witness a ball game came about simultaneously when Brooklyn played New York in 1859.

**Girl Surrenders  
to Police, Admits  
Bad Checks Here**

Irene Mary Domenik, 22, wants to start life over again.

So she surrendered to San Diego police this week, and said that she had cashed several worthless checks in Palm Springs and wanted to make amends.

Local police were notified and checked up on the girl's story. They found that several local firms had accepted her checks in payment for goods and cash.

Local police went to San Diego and returned Miss Domenik to this city, where she was held to answer in superior court on bad check charges.

Chief of Police A. G. Kettmann said she had signed a statement listing all of the checks she had cashed. He said she indicated she would plead guilty and ask probation. She waived arraignment.

**Sailors Nabbed  
After Fist Fight**

William P. McNeil and James F. O'Brien, sailors, were turned over to naval authorities at Thermal following a disturbance at a local hotel.

Complaint was signed by L. R. Mueller, who was beaten by the pair, and B. V. Foldes who said the pair appeared at the hotel and for no apparent reason, started beating him. Mueller, Foldes's brother-in-law, came to his aid and had to go for medical aid after the two sailors were arrested by local police.

**Plans to Find  
Out How Civilian  
Populace Live**

Romeo Marquis, stationed in Palm Springs for the past several months, left yesterday for Drew Field, Florida, separation center, and expects to be back in civilian clothes soon. Marquis served on the military police force here.

He plans to tour the east coast "just to see how it feels to be a civilian again" before returning to his home in Stockholm, Maine. Marquis has been in the army for five years.

A stockpiling program for another, future war, would be particularly senseless.—Undersecretary of War Robert Patterson.

## Formal Opening of Studios Turns Into Social Fete

Formal opening of the Virginia Bell beauty studios last Saturday turned into an outstanding social event with many out-of-town visitors joining in the festivities. Week end guests of Miss Bell, who were guests at the Ambassador hotel Saturday and Sunday included Cmdr. Jack Criss, Cmdr. and Mrs. Wilson and son, Cmdr. Thomas F. White of Chicago, Cmdr. Ernest Flynn, Lt. Thomas Coil, Lt. Robert Fisher, Lt. Duane Corey of Chicago and his wife, Lt. (j.g.) Leta Reynolds, and Lt. Dal Potter of San Francisco. The Navy personnel is stationed at Terminal Island.

Other week end guests included M. A. Moore of Beverly Hills, Hervey Herron of Long Beach, who did the interior decorating for Miss Bell's studios, Mrs. Nina Harris and the Misses Grace Johnson, Carmen Reed, Grayce

Hughes, Velma Wilson, Mary Anlauf, Helen Chamberlain and Velma Hollingsworth, all of Long Beach.

The majority of the guests were newcomers to Palm Springs and were lavish in their praise of the hospitality of the Village. Dinner Saturday was enjoyed at the Village Sandwich shop, Sunday breakfast was at La Cita and Sunday night dinner was enjoyed at Mr. Dee's.

Among local people attending the opening were Mr. and Mrs. Prisk, Mr. and Mrs. Martin Schwab, Mr. and Mrs. Dooley of San Bernardino, Mr. and Mrs. Herbert Foster, Mrs. Beryl Miner, manager of the Ambassador, Mr. and Mrs. William A. Johnson, Mr. and Mrs. Connally, Mr. and Mrs. C. A. Carlberg, Roy Randolph and many others.

Earl Snyder, Los Angeles real estate man, was a week end guest of Dr. I. W. Lynn.

California displaced Iowa as the No. 1 state for net farm incomes for 1944, netting \$862,493,000.

For Essential Transportation—U-Drive Cars. Phone 4444.

## 174 Noted Doctors and Scientists In Village to Attend Dental Seminar And Discuss Latest Dental Findings

This week one hundred and seventy-four dentists, physicians and research scientists are the guests of Palm Springs during the course of the Second Annual Seminar for the Study and Practice of Dental Medicine. These men, from many localities as far east as the Mississippi and as far north as British Columbia, have gathered together at the Desert Inn in what promises to be a new and permanent institution in California.

The purpose of the seminar is an exchange of opinion on how best to apply the newest advances of the biological and medical sciences. The doctors are especially interested in the prevention and cure of diseases of the mouth and adjacent regions. They take their work so seriously that more than seven hours a day are devoted to scheduled sessions. Many informal discussions are in progress during the afternoon recess.

### EVEN AT MEALS

Even their meal-times are study time, for a demonstration then takes place which is probably unique in the history of scientific meetings. The entire group, at every meal, is served a diet specially planned by M. J. Walsh, Consulting Nutritionist from San Diego. The meal is designed to illustrate the most recent knowledge on nutrition. Beside each plate rests the menu, which contains in addition a complete analysis of the nutritional qualities of the meal. That the doctors realize the tastiness and palatability of food is as important as the more widely publicized vitamins, minerals, and calories may be seen by the example of such a menu as was followed on Monday night. The doctors ate: Crab cocktail supreme, Cream of celery soup, Mixed olives, Carrot sticks, Rose radishes, Green onions, Charcoal broiled French lamb chops, Parsley potatoes, Green peas and carrots, Tomato and asparagus tip salad with Seminar dressing, Fresh Mission figs, American Cheddar, Swiss or Camembert cheese, Coffee, Tea, Milk, Buttermilk.

### SPECIALLY DESIGNED

This dinner was designed to supply the following amounts of nutrients:

Protein, 105 grams; Fat, 113 grams; Carbohydrates, 88 grams; Calcium, 1430 mgms.; Calories, 1780; Phosphorus, 1750 mgms.; Calcium-phosphorus ratio, 1:1.2; Iron, 14 mgms.; Iodine, 78 mgms.; Vitamin A, 11,500 international units; Thiamin (vitamin B1), 620 mgms.; Riboflavin, 1860 mgms.; Nicotinic acid, 13 mgms.; Vitamin D, 5 international units; Ascorbic acid (vitamin C), 42 mgms.

The sessions of the Seminar are organized around lectures delivered by nationally known scientists who have been selected because of qualification and research in special fields. Among those who are scheduled to appear are the following:

Dr. Hermann Becks, Professor

of Dental Medicine at the University of California, recognized as a founder of American dental medicine.

### MANY NOTED DOCTORS

Dr. Douglas Campbell, a neuro-psychiatrist and specialist in psychobiology and psychosomatic medicine, on the staff of the University of California School of Medicine.

Dr. Herbert M. Evans, Professor of Anatomy and Director of the Institute of Experimental Biology of the University of California, whose research on vitamins and hormones has gained international recognition.

Dr. Madeleine Fallon, who has studied widely in the field of diseases of the blood.

Dr. Stacy Mettler, Associate Professor of Medicine of the University of California, who has conducted research on the relation of vitamins to arthritis.

Dr. Francis M. Pottenger, Associate Medical Director and Director of Research at the Pottenger Sanatorium of Monrovia, who has studied extensively the effect of heat on the nutritional values in food.

Dr. Earl Pound, Lieutenant Commander in the Navy, from the U. S. Naval Hospital in Oakland, California, an expert on prosthesis and plastic facial restoration in wounded men.

Dr. J. Walter Reeves, Professor of Anatomy and Physiology, at the University of Southern California College of Dentistry, who discusses the role of water in the body.

### TIME TO RELAX

Dr. Robert Wartenburg, Assistant Clinical Professor of Neurology, University of California School of Medicine, whose international fame in diseases of the nervous system is based on years of experience in Europe and America.

In spite of the heavy schedule which the participants in the Seminar have set for themselves, they find time every afternoon for relaxation and pleasure in the numerous recreational facilities to be found in and around Palm Springs.

## Bowling Loop in Full Swing Today At Village Alleys

Once again the rumble of balls on alleys and the crash of pins begin to figure in the Torney spotlight as the Officers' league got off to a rolling start last week and several teams of enlisted men loosened up their throwing arms.

For the officers, a well-balanced Flub five racked up a perfect night at the expense of the Dubs to grab an early lead in the lengthy season's run. Four of the winners chalked up 400 or better series, paced by Curly Sutton's 490, although the big gun was Capt. Crea's 506 for the losers, including the high single of the night, a 197 opener.

Meanwhile, the Gremlins and Hotshots split their games as did the Pfc's and Sleepers. West and Hendrix of the Gremlins were the only keggers to post 400 series in the first match, and Loban ditto for the Sleepers in the other. Standings at the end of the first week follow:

Team	Won	Lost	Pins
Flubs	4	0	2455
Gremlins	2	2	2356
Hotshots	2	2	2329
Sleepers	2	2	2219
Pfc's	2	2	2202
Dubs	0	4	2196

Our security and peace depend upon what the people of the world know about us and what we know about them.—Dean Carl W. Ackerman, Columbia university.

## Maytag Line Will be Much Enlarged Reed is Informed

Addition of an automatic type washer, an automatic clothes drier, both gas and electric, a gas range and an electric frozen food locker to the Maytag line of household appliances was revealed to Reed's Radio Shop, Maytag dealer, located at 342 N. Palm Canyon drive in a letter received today from President Fred Maytag II.

The announcement followed a series of conferences of Maytag branch managers and distributors held at the home office in Newton, Iowa, at which the new products were previewed. They will be added to the line of conventional type washers and ironers produced by the 50-year old company which manufactured and sold more than 4,000,000 washers before converting to war production in 1942.

The Maytag company recently purchased a minority interest in the Globe-American corporation of Kokomo, Indiana, which will produce Dutch Oven gas ranges exclusively for Maytag. Fred Maytag II, and Maytag vice presidents, George Umbreit and Ray A. Bradt have been elected to the Globe-American board of directors.

No date has been announced as to when the new products will be made available to the public, although President Maytag expressed an opinion that the gas range and the frozen food locker would be on the market about the first of the year. No date has been revealed when the automatic washers and driers will be ready for distribution.

Samples of postwar models of Maytag conventional type washers have just been released to each of the more than 7,000 dealers representing the company throughout the United States and the arrival of the local display model is expected soon. An immediate start was made after V-J day on reversion and assembled machines were stock-piled until enough had accumulated for simultaneous shipment to all dealers.

### Sneak Thief Gets Purse at Hotel

Sylvia Horvitz, of the Casa de Beverly, 296 South Palm Canyon drive, reported to police this week that during her temporary absence from the office, a sneak thief had stolen her purse. It contained a small amount of cash and personal papers, she reported.

## DeLors Roth Will Head Girls League At High School

DeLors Roth was elected by popular vote, president of the Palm Springs Girls' League for the coming year in a meeting called Wednesday, Oct. 3, activity period.

Elected as the president's co-workers were Shirley Renville, vice-president; Sally Robinson, secretary; Barbara Jones, treasurer; and Betty Ann Lilley, historian.

Mrs. Moya Henderson, supervisor, opened the meeting with a reminder that those girls occupied with several other important extra-curricular activities should not be nominated as these offices would require much effort.

The chairman of the Pom-Pom committee, Sally Robinson, gave a report on the committee's efforts to secure pom-poms for the football games which so far have been futile due to the shortage of material.

## Betty Lilley to Head Soph Class

By BERNIE DOYLE

The Sophomore class meeting was called for the purpose of electing officers. It was held in the study hall, activity period, on Monday, Oct. 1.

The meeting was directed by Coni Tilghman, former class president. The nominations were made and the votes cast. The results were: President, a draw between Coni Tilghman and Betty Anne Lilley; vice-president, Maizie Rice; secretary, a draw between Hazel Veith and Lane Archer; and treasurer, Bernie Doyle.

The run-offs for president and secretary were held Monday, Oct. 8, resulting in Betty Anne Lilley being elected president and Hazel Veith secretary. In the second meeting, the treasurer spoke to the class about the purchase of student body cards, which are on sale this week.

## Fate

By BOB ECKER

Once when three wise men Were out walking alone, They discussed seeds of fate, That the sower had sown. And whether it was fate at all, That drew the master plan, Or whether it was other things, That decided our life's span. For, could not the Rubiat have gone,

"The moving finger writes, And having writ, erases, crosses out, Turns, comes back, rewrites?" Does Kismet rule our sword? Does Wyrd rule our lance? Does fate rule our every move? Or is it only chance?

Does fate stand in our path, Like some great Caesar's wall, Against which any sterner Would quickly and surely fall? The hairs in your head are numbered; So may be the days in your life. It may be, any that say aught Are making useless strife. Some say, that when your time is up, It's no use to hide away. Your end is timed to the second, The minute, the hour, the day. Some say fate will have its way; Some say luck rules the sod; But there is still one other way; The other way is God.

## Music Is Feature Of Bus Trip to San Jacinto Game

By DICK CARLESTON

On the way to the San Jacinto game "notes to you" was literally the slogan of all who traveled aboard the school bus. Everything from "Bell Bottom Trouser" to "The Palm Springs Loyalty Song" was sung with ear-splitting loudness.

After the opening salvoes of "I-I-IND-I-ans-Indians" was sounded, the wild participants of the bus came up with "Chees, Chees For Palm Springs High!"

Not to be neglected was the sentimental mood which was carried on in song with sincere feeling "Dream When You're Feeling Blue" and "There I've Said It Again" were some of the melancholy tunes which were sung.

Also refreshments were consumed such as celery stalks, apples, cashew nuts, bubble gum and various other concoctions.

In the rear corner of the bus where the commotion was centered, I could not help but feel sorry for poor Mr. Bell who was driving this vehicle and its noisy passengers. From my position I also noticed many interesting things. For instance, C. J. Lyter leaning dreamily on Carol Burket's shoulder thinking lustily of some one else, possibly her heart throb? Mary Jo Graft, Dora Martinez, Cherie Mashburn, Jo Ann Wilks, Julie Martineau were some of the girls who carried on in the midst of the singing.

Frequently on the road we would meet certain persons on the way to the game. We got a glimpse of Bobby Jones (no relation to the famous golfer) and Delorse Roth both enjoying the scenery from the back seat of a passing car.

It may have been bedlam but at least, Hail! Hail! the gang was all there and everyone had fun.

## Old Man Pluve an Aid in Freshman Initiation Event

Old Jupe Pluvius kind of joined in with a few other elements to put a damper on the boys' initiation festivities last Monday. However, old Dick Mosley and his boys who were undaunted in their moves, solemnly led a representative group of freshmen and sophomores out behind the hedge near the auditorium at lunch time for the traditional "tug of war" and a general dowsing for all the participants by a high powered fire hose. Paul Summers, who was seen observing the bit of devilment, was heard remarking drily, "I guess you'd call that fun."

The one really treacherous series of events started when certain seniors, which for now shall remain nameless, approached poor hapless freshmen with the intention of giving them an egg shampoo, as previously planned. Now this idea so far was all right with everyone including the faculty, but when these certain members of our student body proceeded to smear the shirts of the freshmen with egg mess and splattered the buildings and walks with bits of egg shells and what-have-you — well, you all know the rest. Dr. Oertel promptly issued an edict ordering "all egg throwing to cease," and as a persuader he proclaimed a penalty of suspension. Many seniors, who had their hopes squelched, walked around with long faces.

Well, on the brighter side, a lot of scared freshmen were hustling around with their shoe shine kits shining the "mighty" seniors' shoes and almost fulfilling their every command.

Noticed that man Dick Mosley again? This time he was having his white shoes shined black so that the next freshman could shine them white again.

Well, boys will be boys, no amount of time can change them, huh, fellas? And this freshman initiation stuff will probably go on for countless years. Back of it are good intentions even though it seems hard to detect them at times.

While serving in the Navy, all business dictated to my account is credited to me.

## Paul Benson to Be Tribe Chief

The Palm Springs high school boys have a new chief this year. Big Chief Paul Benson, elected by popular vote of the organization, The Tribe, will head all boys' activities this year assisted by Art Jurado, Little Chief. As yet, the three remaining tribe positions, Wielder of the Tomahawk, Keeper of the Wampum, and Medicine Man have been unfilled.

Big Chief Benson's first official act was to put the business of the initiation before the members of the tribe. Suggestions were submitted and a suitable program was decided upon.

## GAZOOZIT

By CHERIE

Last week, this famed column appeared under the title, "Gazoozit". Let's hope it'll be put back under its original heading. All you observant people, cast your gazes upwards and take a looksee.

The fellas were really in there pluggin' for ole P.S.H.S! Even though the B's lost out, we don't feel so bad when we remember the varsity's score, 6-0. Keep it up!

Among the alumni and Hemetians rootin' for our team were "Cecil" and her hubby, Trudy who led us in a swell locomotive and Babs, in there, tellin' 'em how, as usual.

Mabel Potter forgot Don Miller and the football game for a minute to take a little ride on horseback. Then everyone had to "Boots" received a well-put spanking for Galzy before leaving with her man of the hour, Morry Achen.

Those students who didn't go to the game by bus sure missed a gay time. Everybody was happily tearing their lungs out as we cruised to and from our charming metropolis. The juniors and seniors were really raising it in the back seats of that vehicle which was so ably driven by Mr. Bell. (poor man!)

We all had our fill of parties over the week-end, it seems.

I've almost forgotten that "shipwreck" party at Duley's Friday night though there are a few vague recollections: Jack Pendery in shorts and a life preserver, Tom Shilling in pajamas with bathing trunks OVER them... Andy keeping an eye out for Diane... sailing out of Harry's car when we took that curve on the way to Taughitz. O, bloody me!

Carol Burket's party Saturday night was attended by such well-known personages as Joanne Hookey and Tommy Peterson, Sally and Chuck (hero of the football team) St. George, C. J. with John Klug (of all people), Imogene and Galzy, Babs Neel and Paul Benson, and Bob Fern, here for the week-end, with Trudy Sawyer.

From Carol's, the crowd went ever onward to Mazies wild dig, Carol with Giller Boyd, Betty Ann and Joanne Wilkes with those popular guys from Coachella, Mazie and Whitey, Hoover and Nancy Nye, and those steady Bobby Jones and DeLorse Roth.

"Jimmy" Rogers threw a party the same evening just for old times sake; and making the rounds there, were Trudy and Fern, C. J. and Klug, "Big Bwanger" Lineau and a certain Doris Stewart from Arrowhead, and Dart, to name a few, after which they all tramped down to Dart's where Norma and Smitty and several others were discovered, and so ended the evening in a happy state.

Wilson and Mary Jo ended up at L. T. Friday night after crashing Duley's.

Peterson is swoon crooning all the girls with, "Out of This World" and when he does, they really wish they were!

Yes, kids, that was none other than Cone Tilghman going dreamily down the street with Ensign Bill Asbury Saturday night. She and Bernie decided they couldn't stand it any longer, though, as is rarely done in this institution, they remain friends. (Or hadn't you heard?)

Dick Doro is sportin' a new Ford coupe (well, it's new to him anyway) which he bought Saturday. While we're on the subject of cars, Andy's got pretty well beat up Monday. (What you know, no fender!)

That about winds up the thrilling events which occurred this week; but before closing, let me pass this one on:

A Nebraskan firefly thought, logically enough, that if he went through the whirling fan, it would make him even more cool

## ON THE WARPATH

By MORT ALGASE

Meeting and defeating a San Jacinto eleven 6-0 on the Tiger field last Friday gave Palm Springs its second victory of the current season and a very healthy practice session. And with a little luck, may prove to be a stepping stone to the E. R. C. L. title.

The Indian attack was principally on the ground, with very few passes completed or for that matter, attempted. The only outstanding aerial plays of the day were two interceptions by St. George in the third quarter, San Jac was weak in both brackets, running and passing, although Gudmondson is a boy to surpass anything this side of the hills has got, if he gets support.

Palm Springs squeezed its lone tally across in the first minutes of the second stanza after moving play from the 8 at the quarter. From there St. George made it a first on the 3 and on the fourth attempt he carried, it through center for 6 standing up. Hernandez was dumped 15 yards from paydirt attempting a run for the extra marker.

Generally, the Indian defensive was stronger than the offensive with Benson, Brummitt, Moseley and Croshier stopping all San Jac progress with minimum yardage. But despite a weak interference Jurado and St. George averaged 6 to 8 yards every time they had the ball. St. George alone gained nearly 100 yards on the ground (scrimmage plays).

While the Thompsonmen were whittling San Jacinto down, Banning defeated the Colton reserves 13-0, Beaumont stifled San Berdo's sophomores 25-7, and Coachella lost to Elsinore 13-12.

Paul Summer's "B" Indians saw their first action of the year by visiting Colton's third team

## May We Introduce . . .

By CHERIE MASHBURN

This year we begin our weekly feature, "May We Introduce", by introducing the seven new members of the faculty. Our first victim is a very dynamic teacher.

Born on Christmas day, 1908, married fourteen years (the "little woman" is also a teacher and royal helper with the grease-paint), this instructor hails from Oakland, having been director of dramatics at the high school there.

Now for some hints: Who abhors radios due to the machine running continuously downstairs?

Who can't stand meat of any kind and refers to "blood gravy" in a disgusted manner? He's the ultra-sensitive type.

Who loves plays of all kinds? He's going to direct the Senior play.

Who convulses the Junior class into convulsions each day during U. S. history and English 3?

And finally, who goes around with that green visor that gives him the director-from-Europe-in-Hollywood look?

Oh, come now—"Tis the one and only Irving Edward "Sussy" Sussman!

## John Klug Heads P.S.H.S. Seniors

The Senior class meeting held during activity period October 3 in room nine, was for the purpose of electing officers.

There being a tie for president between John Klug and Ralph Galzerano, a run-off was held October 3 with John Klug being victor.

Elected for vice-president was Clara Jean Lyter; secretary, Ann St. Claire, and treasurer, Julie Martineau.

than if he remained in front of it. So he went through; on coming out of the other end, he is reported to have said, "I'm delighted, no end!" Think hard.

Banning

Friday night. It's plain to see that the "Bee" men of Colton are a good match for our varsity as evidenced by the 32-0 treatment they dished out.

Only once were the Indians in payoff position and that proved to be the basis for a 90 yard touchdown romp for the Coltonmen. Coach Summers begs sympathy for his boys. It was the bus ride, the night play, the ball, the dampness, or the size of the opposing players. As yet he is undecided as to which.

Starting line-ups:

Palm Springs—Moseley, LE; Wogberg, LT; Croshier, LG; Williams, C; Brummitt, RG; McKinney, RT; Benson, RE (Capt); Doro, Q; St. George, LH; Hernandez, RH; Jurado, F.

San Jacinto—Dunn, RE; E. Rose, RT; M. Rose, RG; Mapstead, C; Kline, LT; Arrieta, LG; Henly, LE (Capt.); Gudmondson, Q; Lisalda, RH; Helms, LH; Lugo, F.

## FOOTBALL SCHEDULE

October 12: Coachella at Palm Springs.

October 19: Bye.

October 26: Palm Springs at Beaumont.

November 2: Banning at Palm Springs.

November 9: Beaumont at Palm Springs.

November 22: Palm Springs at Coachella.

November 30: Blythe at Palm Springs.

## Don Sorum Is Now Overseas, Word to P.S.H.S. Friends

Of interest to the friends of Donald Sorum is the recent word received that he has left the San Francisco Bay area aboard a navy ship to parts unknown, but presumed to be some designed port in the Western Pacific.

Donald was a member of the class of '45, volunteering for service in the United States Navy on January 3, 1945. After boot-camp training in San Diego he was transferred to Gulfport, Mississippi, where he graduated from the Navy Quartermaster School in August. He was then ordered to report to Shoemaker, California with delayed orders which permitted him to stop over for a few days at his home in Palm Springs.

In anticipation of his lengthy journey across the wide Pacific, he writes that he has supplied himself with plenty of reading material and a chess set which will permit him to challenge several so-called experts who have made various claims as to their proficiency. (Don Williams take Note).

Portrait of the Week By BERNARD  
of Hollywood

Eileen Medera McGrath . . . sure and she's Irish . . . but not straight from Ireland . . . as she was born in Iowa and lived in South Dakota. Eileen graduated from the University of Wisconsin . . . for social activities was a Kappa Kappa Gamma, and for scholastic activities majored in speech. In the "favorites" department she confided that the loves to play bridge . . . likes anything written by A. J. Cronin . . . couldn't name her favorite bandleader as she isn't partial . . . is very interested in antiques, and has quite a collection of rare cups . . . like all Irishmen, Eileen has a fine sense of humor, and likes her men to have one, too . . . she also likes them sincere, virile and of all things, she claims she's allergic to the handsome ones.

It's not helping Palm Springs to have some of its people direct disappointed inquirers for accommodations to Cathedral City with the statement that there is plenty of vacancies here. We are sorry this is not at least partly true and we hope those we cannot accommodate will return when conditions improve.

We have two houses for sale and a couple of lots. Plenty of fire insurance and we notarize.

Rainfall Record  
Boosted by Week's  
Showers to 2.72

Rainfall record for Palm Springs was boosted to 2.49 ins. for the 1945-46 season by showers during the week bringing the total for the season on October 11 to 2.72 inches.

At this time last year, no rain had fallen for the 1944-45 season. First rainfall last season fell on Oct. 23. July, August and September were dry.

Temperatures here last week were all down in the two-digit bracket with the highest of the week, 75 degrees. Cool nights prevailed.

The week's listings:

Date—	Max.	Min.
October 4	94	63
October 5	89	53
October 6	89	61
October 7	93	69
October 8	95	69
October 9	93	65
October 10	91	60

Chest Clinic to  
Be Held Here on  
October 18, Word

Mrs. Madge Holderman announced today that a Chest Clinic will be held Thursday, Oct. 18, at the Health Center, East Amado road. Dr. Frank Porter Miller, county chest specialist, will be the examining doctor.

Mrs. Holderman said that the new X-Ray, acquired by the Center, will be in operation next week and that appointments may be made through her for X-Ray pictures.

She also said that the X-Ray machine will be available for use by all local physicians.

## Cathedral City

W. R. Hillery

Southern Pacific Bardwell routed my recent trip to Sacramento where I attended the State Association of School Trustees, via Oakland. When the convention was over I went to Oakland to call on P. H. Wedel who is president of the Cathedral City Water Co. as well as the town-site company called the Cathedral City Development Co.

Mr. Wedel's business is wholesale fresh fruit and I set my hours of stay by his schedule and arrived down town sometime between 4 and 5 in the morning, near his office and warehouses was a small restaurant that caters to the produce row and there we had breakfast. A rather elderly woman operates it with an equally elderly woman helper. The place was launched as Mothers Restaurant but while "mother" was away one day the boys who work in the neighborhood using box tops and marking brush painted a sign and nailed it high above the door. It now reads, Mothers Dump, Welcome. It was just mischief as Mother seems to be well liked by her patrons. It was funny to a visitor. At 5:30 a bell rang in the neighborhood and the whole place became alive and continued so until about 9 a.m., when the day's work with the public was virtually over.

Returning home I found that R. H. Sherrill who is Vice President of our local companies was visiting the desert with his bride and contemplates settling in Cathedral City or in Palm Springs. The remaining stockholder of the companies is Mrs. John J. Grove who is an individual owner of property in our Village. Mrs. Grove has recently returned to Palm Springs after spending the summer in Los Angeles. Mrs. Grove with her late husband has always shown a lively interest in the growth and development of Cathedral City.

Prof. James W. Kyle is due here shortly for full time winter residence from their Redlands home. Recently while here the Professor reported that he had again checked with County Surveyor Fulmore's office about our house numbering and was assured that a crew would shortly canvass the village advising the house owners of the number to be attached to their premises. We hope that uniform type of numbers can be selected and that a uniform location on the lots for the numbers can be selected.

A clipping from a Laguna Beach paper is of more than passing interest to our village. It refers to the "first since the war" display of their canvases by artists of Laguna Beach at the Los Angeles City Hall. In the list are the names of several artists who are familiar to us but this item caught my eye. In the list of showings is: "Betty RePine Roberts takes one to Cathedral City, California, to view the bare slopes of the San Jacinto Mountains towering above the village, with its desert homes almost ascending its sides." If you are in Los Angeles this month you can see this display in room 351. The exhibit ends on the 31st. Betty RePine Roberts is living in Cathedral City now.

In a Los Angeles paper I noticed that a posthumous award was made to Cpl. Randall T. Henderson Jr., of the Marines. Many of us remember "Rand" when he accompanied his dad in their travelogue trips about the desert in preparation of articles for Desert Magazine. We felt mighty bad when Rand went west on Saipan.

Our Agnes Pelton is back at her studio home after a season at Santa Barbara. Returning by way of Thomas Mountain to al-

low the desert to cool off a few degrees. Mr. and Mrs. James K. Wolseth are opening their Desert Lodge for the season. Jim is a junior artist of much promise. Mrs. Mabel Bryant is another who is back for the season and occupying her home in the village.

Walter and Francine Melrose came down from Montana where they ranched during the summer. Francine told me the activities of the Red Cross would be resumed and by next week's issue of the Desert Sun there should be some notices available. Rev. John C. Abels who has been at Idyllwild during the summer is back at their desert home and his pastorate.

Gen. B. and Mrs. Hibbard returned to Laguna Beach after a stay in Cathedral City. Building operations in the beach city and on the desert keep the Hibbards shuttling between the two places.

Marie Ide, our volunteer librarian is already operating our local free library on the seasonal basis of Tuesdays and Fridays from 2 to 4 p.m. at Town Hall. Agitation is going on to erect a cottage type building to house the library until such time as the village can carry out a plan to erect a joint library and art structure. This is a good time of the year to make a substantial donation for this purpose and hand the long green to either Mrs. Ide or to Prof. Kyle, the treasurer.

Horace Allsberry is erecting his stables just east of the well and will shortly have a string of riding horses here for one of the finest types of recreation that was ever devised.
